£6,000,000,000 Euro Medium Term Note Programme unconditionally and irrevocably guaranteed, in the case of Notes issued by Compass Group Finance Netherlands B.V., by Compass Group PLC

This Base Prospectus has been approved by the United Kingdom Financial Conduct Authority (the "FCA"), as competent authority under Regulation (EU) 2017/1129 (the "Prospectus Regulation"), as a base prospectus issued in compliance with the Prospectus Regulation. Such approval relates only to the issue of the notes ("Notes") under the Euro Medium Term Note Programme (the "Programme") of Compass Group PLC ("Compass PLC") and Compass Group Finance Netherlands B.V. ("Compass Group Finance B.V."). Each of Compass PLC and Compass Group Finance B.V. shall be referred to herein as an "Issuer", and in respect of issues of Notes by Compass Group Finance B.V., Compass PLC shall be a guarantor (in such capacity, the "Guarantor"). Such approval also relates only to the issue of Notes under the Programme, described in this Base Prospectus which are to be admitted to trading within the period of 12 months from the date of this Base Prospectus on the Main Market of the London Stock Exchange plc (the "Main Market") which is a regulated market for the purposes of Directive 2014/65/EU (as amended, "MiFID II"). References in this Base Prospectus to "Exempt Notes" are to Notes issued under the Programme for which no prospectus is required to be published under the Prospectus Regulation. The FCA has neither approved nor reviewed information contained in this Base Prospectus in connection with Exempt Notes. The FCA has only approved this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuers, or the Guarantor nor as an endorsement of the quality of any Notes that are the subject of this Base Prospectus. Investors should make their own assessment as to the suitability of investing in such Notes. This Base Prospectus is valid for a period of 12 months from the date of approval.

Applications have been made for the Notes (other than the Exempt Notes) to be admitted during the period of 12 months after the date hereof to listing on the Official List of the FCA and to trading on the Main Market. The applicable pricing supplement (the "Pricing Supplement") in respect of the issue of any Exempt Notes will specify whether or not such Exempt Notes will be admitted to listing or trading on any European Economic Area ("EEA") or non-United Kingdom ("UK") stock exchanges and/or markets, if applicable.

Investing in Notes issued under the Programme involves certain risks. The principal risk factors that may affect the abilities of the Issuers and/or the Guarantor, as the case may be, to fulfil their respective obligations under the Notes or the Guarantee (as defined below) as the case may be, are discussed under "Risk Factors" below.

Neither the Notes nor the Guarantee have been, nor will they be, registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States, and Notes in bearer form are subject to U.S. tax law requirements. The Notes may not be offered, sold or (in the case of Notes in bearer form) delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act ("Regulation S")) except in certain transactions exempt from the registration requirements of the Securities Act.

Compass PLC has been assigned a rating of A (negative outlook) and Compass Group Finance B.V. has been assigned a rating of A (negative outlook) by S&P Global Ratings Europe Limited, UK Branch ("Standard and Poor's"). The Programme has been assigned a rating of A (negative outlook) by Standard and Poor's and a rating of (P) A3 (stable outlook) by Moody's Investors Service Ltd ("Moody's"). Each of Standard and Poor's and Moody's is a credit rating agency established and operating in the European Community or the United Kingdom and registered under Regulation (EU) No 1060/2009 as amended (the "CRA Regulation"). Tranches of Notes issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, such rating(s) will not necessarily be the same as the ratings described above or the rating(s) assigned to Notes already issued. The rating(s) assigned to a particular Tranche of Notes issued under the Programme will be disclosed in the Final Terms. The European Securities and Markets Authority ("ESMA") is obliged to maintain on its website (<http://www.esma.europa.eu>) a list of credit rating agencies registered and certified in accordance with the CRA Regulation. A rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

IMPORTANT NOTICES

This Base Prospectus (together with any supplementary prospectus and any documents incorporated by reference, the "**Base Prospectus**") contains summary information provided by Compass Group Finance B.V. and by Compass PLC in connection with the Programme under which Compass Group Finance B.V. and Compass PLC may issue and have outstanding at any time Notes up to a maximum aggregate amount of £6,000,000,000 or its equivalent in alternative currencies, and in respect of Notes issued by Compass Group Finance B.V., with the benefit of a guarantee by Compass PLC. Under the Programme, the Issuers may issue Notes outside the United States pursuant to Regulation S ("**Regulation S**") of the United States Securities Act of 1933, as amended (the "**Securities Act**"). Each of Compass Group Finance B.V. and Compass PLC has, pursuant to an amended and restated dealer agreement dated 25 August 2020 (the "**Dealer Agreement**"), appointed Citigroup Global Markets Limited and Citigroup Global Markets Europe AG as dealers for the Notes (together with any dealers for the day, the "**Dealers**"), and authorised and requested the Dealers to circulate the Base Prospectus in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes.

Compass Group Finance B.V. and Compass PLC each accept responsibility for the information contained in this Base Prospectus and the Final Terms (as defined below) for each Tranche (as defined herein) of Notes issued under the Programme and each declares that, to the best of its knowledge the information contained in this Base Prospectus and any Final Terms is, in accordance with the facts and the Base Prospectus makes no omission likely to affect its import.

Each Tranche (as defined herein) of Notes will be issued on the terms set out herein under "Terms and Conditions of the Notes" (the "**Conditions**") as completed by a document specific to such Tranche called final terms (the "**Final Terms**") or (in the case of Exempt Notes) a Pricing Supplement or in a separate prospectus specific to such Tranche (the "**Drawdown Prospectus**") as described under "Final Terms, Pricing Supplements and Drawdown Prospectuses" below. In the case of a Tranche of Notes which is the subject of a Pricing Supplement or a Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Pricing Supplement (in the case of Exempt Notes) or Drawdown Prospectus unless the context requires otherwise. This Base Prospectus must be read and construed together with any amendments or supplements hereto and with any information incorporated by reference herein and, in relation to any Tranche of Notes which is the subject of Final Terms, must be read and construed together with the relevant Final Terms.

Each of Compass PLC and Compass Group Finance B.V. has confirmed to the Dealers named under "Subscription and Sale" below that this Base Prospectus contains all information which is (in the context of the Programme, the issue, offering and sale of the Notes) material; that such information is true and accurate in all material respects and is not misleading in any material respect; that any opinions, predictions or intentions expressed herein are honestly held or made and are not misleading in any material respect; that this Base Prospectus does not omit to state any material fact necessary to make such information, opinions, predictions or intentions (in the context of the Programme, the issue, offering and sale of the Notes) not misleading in any material respect; and that all proper enquiries have been made to verify the foregoing.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other document entered into in relation to the Programme or any information supplied by the Issuers and/or the Guarantor, as the case may be, or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by any of the Issuers, the Guarantor, the Trustee or any Dealer.

None of the Trustee, the Dealers nor any of their respective affiliates have authorised the whole or any part of this Base Prospectus and none of them makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained in this Base Prospectus. Neither the delivery of this Base Prospectus or any Final Terms nor the offering, sale or delivery of any Note shall, in any circumstances, create any implication that the information contained in this Base Prospectus is true subsequent to the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change, or any event reasonably likely to involve any adverse change, in the prospects or financial or trading position of the Issuers and/or the Guarantor as the case may be, since the date thereof or, if later, the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the

Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus and any Final Terms and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms comes are required by Compass PLC, Compass Group Finance B.V. and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms and other offering material relating to the Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

In particular, neither the Notes nor the Guarantee have been, nor will they be, registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States, and Notes in bearer form are subject to U.S. tax law requirements. The Notes may not be offered, sold or (in the case of Notes in bearer form) delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes may be offered and sold in bearer form or registered form outside the United States to non-U.S. persons in reliance on Regulation S. For a description of these and certain further restrictions on offers, sales and transfers of Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

NEITHER THE PROGRAMME NOR THE NOTES NOR THE GUARANTEE HAVE BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION (THE "SEC"), ANY STATE SECURITIES COMMISSION IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY, NOR HAS ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF ANY OFFERING OF NOTES OR THE ACCURACY OR ADEQUACY OF THIS BASE PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.

IMPORTANT – EEA AND UK RETAIL INVESTORS - If the Final Terms (as defined below) in respect of any Notes includes a legend entitled "Prohibition of Sales to EEA and UK Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended or superseded, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No. 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms (as defined below) in respect of any Notes will include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "**MiFID Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

BENCHMARKS REGULATION – Interest and/or other amounts payable under the Notes may be calculated by reference to certain reference rates. Any such reference rates may constitute a benchmark for the purposes of Regulation (EU) 2016/1011 (the "**Benchmarks Regulation**"). If any such reference rate does constitute such a benchmark, the Final Terms will indicate whether or not the benchmark is provided

by an administrator included in the registrar of administrators and benchmarks established and maintained by ESMA pursuant to Article 36 (*Register of administrators and benchmarks*) of the Benchmark Regulation. Transitional provisions in the Benchmarks Regulation may have the result that the administrator of a particular benchmark is not required to appear in the register of administrators and benchmarks at the date of the Final Terms. The registration status of any administrator under the Benchmarks Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update the Final Terms to reflect any change in the registration status of the administrator. Neither this Base Prospectus nor any Final Terms constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a recommendation by Compass PLC, Compass Group Finance B.V. the Trustee, the Dealers or any of them that any recipient of this Base Prospectus or any Final Terms should subscribe for or purchase any Notes. Each recipient of this Base Prospectus or any Final Terms shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuers and/or the Guarantor.

PRODUCT CLASSIFICATION PURSUANT TO SECTION 309B OF THE SECURITIES AND FUTURES ACT (CHAPTER 289 OF SINGAPORE)

The Final Terms in respect of any Notes may include a legend entitled "Singapore Securities and Futures Act Product Classification" which will state the product classification of the Notes pursuant to section 309B(1) of the Securities and Futures Act (Chapter 289 of Singapore) (the "**SFA**"). The Issuer will make a determination in relation to each issue about the classification of the Notes being offered for the purposes of section 309B(1)(a). Any such legend included on the relevant Final Terms will constitute notice to "relevant persons" for the purposes of section 309B(1)(c) of the SFA.

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed £6,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into Sterling at the date of the agreement to issue such Notes (calculated in accordance with the provisions of the Dealer Agreement). The maximum aggregate principal amount of Notes which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealer Agreement as defined under "Subscription and Sale".

In this Base Prospectus, unless otherwise specified, references to a "**Member State**" are references to a Member State of the European Economic Area, references to "**U.S.\$**", "**U.S. dollars**" or "**dollars**" are to United States dollars, references to "**Euro**", "**euro**", "**EUR**" or "**€**" are to the currency introduced at the start of the third stage of European economic and monetary union, and as defined in Article 2 of Council Regulation (EC) No 974/98 of 3 May 1998 on the introduction of the Euro as amended, and references to "**Sterling**", or "**£**" are to pounds sterling.

Certain figures included in this Base Prospectus have been subject to rounding adjustments; accordingly, figures shown for the same category presented in different tables may vary slightly and figures shown as totals in certain tables may not be an arithmetic aggregation of the figures which precede them.

This Base Prospectus has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area or the United Kingdom (each, a "**Relevant State**") will be made pursuant to an exemption under the Prospectus Regulation, as implemented in that Relevant State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by Final Terms, a Pricing Supplement (in the case of Exempt Notes) or a Drawdown Prospectus in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for Compass PLC and Compass Group Finance B.V. or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. Neither Compass PLC, Compass Group Finance B.V. nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for Compass PLC, Compass Group Finance B.V. or any Dealer to publish or supplement a prospectus for such offer.

The Notes may not be a suitable investment for all investors. *Each potential investor in the Notes must make its own assessment as to the suitability of that investment in light of its own circumstances. In particular, each potential investor should:*

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this base prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) acting as the Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) may over allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the Stabilisation Manager(s) (or persons acting on behalf of the Stabilisation Manager(s)) in accordance with all applicable laws and rules.

FORWARD-LOOKING STATEMENTS

The words "anticipate", "believe", "expect", "plan", "intend", "targets", "aims", "estimate", "project", "will", "would", "may", "could", "continue" and similar expressions are intended to identify forward-looking statements. All statements other than statements of historical fact included in this Base Prospectus, including, without limitation, those regarding the financial position, business strategy, management plans and objectives for future operations of the Issuers and/or the Guarantor are forward looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause our actual results, performance or achievements, or industry results, to be materially different from those expressed or implied by these forward-looking statements. These forward looking statements are based on numerous assumptions regarding each Issuer's and the Guarantor's present and future business strategies and the environment in which it expects to operate in the future.

Any forward-looking statements made by or on behalf of the Issuers and/or the Guarantor speak only as at the date they are made. The Issuers and/or the Guarantor do not undertake to update forward-looking statements to reflect any changes in its expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based.

RISK FACTORS

The Group believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme which may in turn result in investors losing the value of their investment. Most of these factors are contingencies which may or may not occur and the Group is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Group believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Group to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Group does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Words and expressions defined in the "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this section.

Risks Related to the Issuers and the Guarantor

COVID-19

The long-term impact of COVID-19 on the Group's operations is highly uncertain and cannot be predicted with confidence. The extent of any adverse impact on the Group's operations will depend on the duration, extent and severity of the global pandemic.

In the short-term, the pandemic has had a significant effect on the Group. By 31 March 2020, between 45 per cent. and 50 per cent of Compass Group's operations were closed as Governments throughout the world implemented lockdown measures to protect their populations against the spread of the virus. Dependent on sector and region, Compass Group's business has been re-opening since 31 March 2020, with approximately 55 per cent. of its business open by the end of May 2020 and approximately 60 per cent. open by the end of June 2020. The pandemic may also present some medium-term risks and opportunities for the Group. Among other things, the Group's management believes the pandemic may change consumer perceptions and requirements for food, as well as the structural delivery and demand for food in certain sectors such as Business & Industry.

The Group considers the COVID-19 pandemic to represent a stand-alone principal risk. However, to the extent that the pandemic has adversely affected and may continue to adversely affect the Group's operations and performance, it may heighten certain risks, such as those relating to securing and retaining clients, the execution of the Group's commercial strategy and reliance on third-party suppliers.

Health & Safety and the Environment

Health & Safety

The health and safety of the Group's customers and its people are central to the Group's operations. The Group is focused on protecting people's wellbeing, as well as avoiding serious business interruption and potential damage to its reputation. The Group feeds millions of consumers, employs thousands of people and operates in client premises in a number of different locations around the world every day. Therefore, setting the highest standards for food hygiene and health and safety is paramount. The Group has policies, procedures and standards in place to ensure compliance with legal obligations and industry standards. Incurrence of significant criminal or civil liability as a consequence of the disruption of a client's operations or injuries to consumers resulting from health and safety-related aspects of its operations could have adverse consequences on the Group's activities, operating margins and reputation.

Environment

The Group's operations are required to comply with legislation concerning the protection of the environment. The Group principally carries out its activities on its clients' sites. Activities which may have an impact on the environment include consumption of water and energy in the course of food preparation

and cleaning services and production of waste from food preparation and cleaning. Costs, fines, damages and sanctions may be incurred, or interruptions may be experienced in operations, for actual or alleged violations of environmental laws.

People

Recruitment, retention and motivation

As at 30 September 2019, the Group employed around 600,000 people worldwide. Failure to attract, recruit, retain and motivate people with the right skills at all levels could limit the success of the Group. The Group faces resourcing challenges in some of its businesses due to a lack of industry experience amongst candidates and appropriately qualified people, and the seasonal nature of some of its business. The risk in this area had increased until recently due to the continued economic and political conditions where a combination of high employment and a shortage in the resource pool had made the labour market more competitive, but may now and going forward be mitigated somewhat by the negative impact on employment levels which is expected to result from the ongoing COVID-19 pandemic. The Group's business, financial condition and operational results may be adversely affected if suitable personnel with the right skills, at all levels of the organisation, are not recruited, trained, retained and motivated to work for the Group.

Pensions

The Group operates a number of pension schemes around the world, some of which offer defined benefits. The Group's UK defined benefit pension scheme is closed to new entrants and future accrual has ceased in this scheme, except in the case of transferring employees under public sector contracts in the UK where the UK trading subsidiaries of Compass PLC are obliged to provide final salary benefits to those employees. Steps have been taken to reduce the risk that returns on these schemes' investments may be insufficient to meet scheme liabilities. If such investment returns were insufficient, the Group would have to fund any shortfall.

Clients and Consumers

Sales and retention, bidding, service delivery and contractual compliance

The Group's business relies on securing and retaining a diverse range of clients. The loss of material client contracts in an increasingly competitive market could present a risk to the business of the Group. Each year, the Group bids for a large number of opportunities. Its success in this regard depends on its ability to differentiate its offers from those of its competitors and meet client expectations in service quality and value. Failure to do so could have an adverse impact on the Group's business. In addition, the Group's operating companies contract with a large number of clients. Failure to comply with the terms of these contracts, including proper delivery of services, could lead to loss of business and/or claims.

Competition and Disruption

The Group operates in a highly competitive marketplace. The levels of concentration and outsource penetration vary by country and by sector. Some of the markets in which the Group operates are relatively concentrated, with only two or three key players, whilst others are highly fragmented and offer more opportunity for consolidation and penetration of the self-operated market. Aggressive pricing from the Group's competitors could cause a reduction in the Group's revenues and margins and adversely impact financial performance. Additionally, the emergence of new industry participants using disruptive technology could adversely affect the Group's business.

Suppliers

The Group has supply relationships with growers, food manufacturers, distributors, and logistics providers, which it uses for the sourcing and delivery of food and other supplies. The Group recognises that it needs to develop long-term supply relationships whilst ensuring that such relationships are conducted on favourable terms both as to quality and price. Although the Group seeks to avoid over-reliance on any one supplier, distributor or logistics provider or distribution network, which in most cases are organised on a country by country basis, sustained disruption to a major supplier which results in disruption to the supply chain could adversely impact the financial condition and results of the Group's regional operations.

Reputational Risk

The Group's sector and consumer brands (including Bon Appétit, Chartwells, Crothall, ESS Support Services Worldwide, Eurest, Flik, Levy, Medirest, Morrison and Restaurant Associates) represent a key element of its overall marketing and positioning. Damage to the Group's reputation or to its major brands may have an adverse effect on the Group's business, financial condition and results of operations.

Economic and Political Environment

Economy

The Group segments the market and creates sectors and sub-sectors to meet the requirements of a growing range of clients and consumers. Certain sectors of the Group's business, such as Business & Industry, could be susceptible to adverse changes in economic conditions and employment levels. Prolonged worsening of economic conditions have increased the risk to the Group's business in some jurisdictions, notably in Europe.

Cost inflation

Compass' objective is to deliver the right level of service in the most efficient way. However, an increase in the cost of labour, for example, minimum wages in the U.S. and UK, or in food costs, especially in countries such as Brazil, could adversely affect the Group's ability to achieve this objective. Increases in inflation have intensified cost pressures in some locations. A significant or sustained increase in input costs to which the Group is unable to respond through cost reduction measures or price increases could have an adverse effect on the business, financial condition and results of operations of the Group.

Political stability

As the Group is a global business operating in countries and regions with diverse economic and political conditions, the Group's operations and earnings may be adversely affected by political or economic instability caused, for example, by the UK's decision to leave the European Union ("**Brexit**") or political reform in the U.S.

Following Brexit there is significant uncertainty about the process and timeframe for withdrawal from the European Union, the outcome of negotiations about future arrangements between the UK and the European Union, and the period for which existing European Union laws for member states will continue to apply to the UK. The Group views the potential impact of Brexit as an integral part of its principal risks rather than as a stand-alone risk. The Group has identified a potential impact on its food supply chain in the UK through potential increased import costs from weaker sterling, compounded by potential new import duties and tariffs, and on the labour force in its UK business due to potential staff shortages and salary cost pressures. The Group is taking actions to assess and mitigate against any such impacts. It is not yet clear what the full impact will be whilst negotiations continue to take place. As the process of Brexit evolves, the Group will continue to assess the impact of any resulting changes and the extent to which they affect the Group.

The Group has significant operations and a substantial employee base in North America, where the current administration in the U.S. has initiated broad policy changes, including federal taxes and proposed tariffs on international trade. The Tax Cuts and Jobs Act, which was enacted in December 2017, introduced substantial and wide-ranging changes to the U.S. federal tax system, but further clarification and regulation may have an effect on future tax charges. The Group is monitoring developments and will continue to assess the impact of any changes.

Political instability around the world as a result of geopolitical tensions continues to present risks to the Group's operations, including risks relating to new restrictions on contracting in certain jurisdictions and to disruption in supply chains.

Compliance and Fraud

Compliance and fraud

The Group is a multinational business and is subject to regulation by governmental, competition and regulatory bodies in a number of countries. Inadequate compliance with increasingly complex laws and regulations, or evidence of fraud, bribery or corruption could have an adverse effect on the Group's reputation, and on the Group's performance, could reduce Compass' share price and could result in a loss

of business. A failure to manage these risks could adversely affect the Group's financial results if significant financial penalties were to be levied or a criminal action were to be brought against the Company or its directors.

International tax

The international corporate tax environment remains complex and an increase in audit activity from tax authorities means that the potential for tax uncertainties and disputes remains high. In particular, the policy efforts being led by the EU and the OECD may have a material impact on the taxation of all international businesses, including the Group. See "*Description of Compass Group PLC – Litigation*" for a description of certain of the Group's ongoing tax litigation.

Information systems and technology

The Group relies on a variety of IT systems in order to manage and deliver services and communicate with its customers, suppliers and employees. The digital world creates additional risks for a global business, including technology failures, loss of confidential data and damage to reputation through, for example, the increased and instantaneous use of social media. Disruption caused by the failure of key software applications, security controls or underlying infrastructure could delay day-to-day operations and management decision-making. The use of sophisticated phishing and malware attacks on businesses has risen over the last year with an increase in the number of companies suffering operational disruption and loss of data. The occurrence of any such failure or attack may have an adverse effect on the Group's business, financial condition and results of operations.

Financial management risks

Credit risk

At any one point in time the Group will hold a significant level of trade receivables and is therefore exposed to the risk that it may not be able to collect the full value of its trade receivables if the creditworthiness of its individual clients was to deteriorate. The Group's overall credit risk is limited as a result of the diverse and unrelated nature of its client base, however, an economic downturn could affect the solvency of clients and result in loss to the Group.

Currency fluctuations

The Group operates in a number of countries. Its operating companies will generally buy and sell goods and services in their local currencies. However, on consolidation the local currency results and closing balance sheets will be translated into sterling, which is the Group's reporting currency. The Group is only partially protected from the impact of exchange rate fluctuations through the matching of cash flows to currency borrowings. The Group's consolidated financial statements will therefore be affected by fluctuations in the currencies of its underlying businesses.

While the Group implements currency hedging policies, the sterling value of both its net debt and operating profits may fluctuate as exchange rates vary.

Liquidity risk

The Group raises finance in both the public markets and the US private placement market and therefore depends on access to investors in these capital markets. The Group also uses committed and uncommitted bank loans and other lines of credit to cover its liquidity needs. Global events have, from time to time, resulted in the closure of the debt capital markets and a reduced capacity within the bank and private placement market to provide credit lines or loans. Whilst the Group has successfully raised funds in the equity markets in the past and would expect to be able to do so again, including in May 2020 when the Group raised circa £2 billion in an equity placement, there can be no assurance that it will be able to continue to do so.

Reduced appetite for the Group's debt instruments in such markets could limit the ability of the Group to fund operations.

Interest Rate Risk

The Group's debt service costs are subject to variations in the underlying interest rates. In order to mitigate the impact of interest rate fluctuation, the Group's policy is to fix the interest rates on its principal debt currencies so that, in the short term, it is not materially exposed to changes in interest rates. Sustained long term increases in interest rates could adversely affect the financial position and operating results of the Group.

Reliance upon dividend and interest income and/or loans in order to satisfy payment obligations under the Notes and the Guarantee.

Compass PLC is the holding company of the Group. As a result, the assets of Compass PLC consist principally of its shareholdings in and loans to other companies in the Group. The ability of Compass PLC to satisfy payment obligations under the Notes or the Guarantee, as the case may be, is dependent upon its receipt of dividend and interest payments from other members of the Group. Compass Finance B.V., which is an indirect wholly owned subsidiary of Compass PLC, has no subsidiaries or operating activities so is reliant upon inter-company loans and interest from Compass PLC in order to satisfy its payment obligations under the Notes. It is intended that proceeds received by Compass Finance B.V. from Noteholders will be lent to Compass PLC as inter-company loans and that any interest received from such loans will be used by Compass Finance B.V. to fund payments due to Noteholders. In circumstances where one or more of the risks referred to herein arises and adversely affects the business, financial condition or operational results of any member of the Group there may in turn be an adverse effect on the ability of that member of the Group to make dividend and/or interest payments to Compass PLC and/or on the ability of Compass PLC to make interest payments to Compass Finance B.V., so as to enable Compass PLC or Compass Finance B.V., as applicable, to satisfy its payment obligations under the Notes, or, as the case may be, under the Guarantee.

Acquisitions and Investments

The Group may acquire businesses and it makes capital investments. Difficulties in integrating acquired businesses, or realising the expected synergies or benefits of capital investment, may have an adverse effect on the Group's business, financial condition and results of operations.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining terms of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Modification, and waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Terms and Conditions of the Notes and the Trust Deed also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the relevant Issuer, in the circumstances described in Condition 17 (*Meeting of Noteholders; Modification and Waiver; Substitution*) of the Terms and Conditions of the Notes.

Change of law

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this base prospectus.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

The value of and return on any Notes linked to a benchmark may be adversely affected by ongoing national and international regulatory reform in relation to benchmarks

The Euro Interbank Offered Rate ("**EURIBOR**") and the London Interbank Offered Rate ("**LIBOR**") and other indices which are deemed "benchmarks" (each a "**Benchmark**" and together, the "**Benchmarks**"), to which the interest on securities may be linked. These Benchmarks have become the subject of regulatory scrutiny and recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented.

Regulation (EU) No. 2016/1011 (the "**Benchmarks Regulation**") on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds became applicable from 1 January 2018. The Benchmarks Regulation applies to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark, within the EU. The Benchmark Regulation could have a material impact on any Notes linked to LIBOR, EURIBOR or another benchmark rate or index, in particular, if the methodology or other terms of the benchmark are changed in order to comply with the terms of the Benchmark Regulation, and such changes could (amongst other things) have the effect of reducing or increasing the rate or level, or affecting the volatility of the published rate or level, of the benchmark. More broadly, any of the international, national or other proposals for reform, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or contribute to certain "benchmarks," trigger changes in the rules or methodologies used in certain "benchmarks" or lead to the discontinuance or unavailability of quotes of certain "benchmarks".

As an example of such benchmark reforms, on 27 July 2017, the UK Financial Conduct Authority announced that it will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 and, on 12 July 2018, announced that the LIBOR benchmark may cease to be a regulated benchmark under the Benchmark Regulation. Such announcements indicate that the continuation of LIBOR on the current basis (or at all) cannot and will not be guaranteed after 2021. In addition, on 29 November 2017, the Bank of England and the FCA announced that, from January 2018, its working group on Sterling risk free rates has been mandated with implementing a broad-based transition to the Sterling Overnight Index Average ("**SONIA**") over the next four years across sterling bond, loan and derivative markets so that SONIA is established as the primary sterling interest rate benchmark by the end of 2021.

On 21 September 2017, the European Central Bank announced that it would be part of a new working group tasked with the identification and adoption of a "risk free overnight rate" which can serve as a basis for an alternative to current benchmarks used in a variety of financial instruments and contracts in the euro area. On 13 September 2018, the working group on Euro risk-free rates recommended the new Euro short-term rate ("**€STR**") as the new risk-free rate for the euro area. The €STR was published for the first time on 2 October 2019. Although EURIBOR has been reformed in order to comply with the terms of the Benchmark Regulation, it remains uncertain as to how long it will continue in its current form, or whether it will be further reformed or replaced with €STR or an alternative benchmark.

The elimination of the LIBOR benchmark or any other benchmark, or changes in the manner of administration of any benchmark, could require or result in an adjustment to the interest calculation provisions of the Conditions (as further described in Condition 7(j) (*Benchmark Discontinuation*)), or result in adverse consequences to holders of any Notes linked to such benchmark (including Floating Rate Notes whose interest rates are linked to LIBOR, EURIBOR or any other such benchmark that is subject to reform). Furthermore, even prior to the implementation of any changes, uncertainty as to the nature of alternative reference rates and as to potential changes to such benchmark may adversely affect such benchmark during the term of the relevant Notes, the return on the relevant Notes and the trading market for securities (including the Notes) based on the same benchmark.

The "*Terms and Conditions of the Notes*" provide for certain fallback arrangements in the event that a published benchmark, such as LIBOR, (including any page on which such benchmark may be published (or any successor service)) becomes unavailable, including the possibility that the rate of interest could be set by reference to a successor rate or an alternative rate and that such successor rate or alternative reference rate may be adjusted (if required) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark, although the application of such adjustments to the Notes may not achieve this objective. Any such changes may result in the Notes performing differently (which may include payment of a lower interest rate) than if the original benchmark continued to apply. In certain circumstances the ultimate fallback of interest for a particular Interest Period may result in the rate of interest for the last preceding Interest Period being used. This may result in the effective application of a fixed rate for Floating Rate Notes based on the rate which was last observed on the Relevant Screen Page. In addition, due to the uncertainty concerning the availability of successor rates and alternative reference rates and the involvement of an Independent Adviser (as defined in the Conditions), the relevant fallback provisions may not operate as intended at the relevant time.

Any such consequences could have a material adverse effect on the trading market for, liquidity of, value of and return on any such Notes. Moreover, any of the above matters or any other significant change to the setting or existence of any relevant reference rate could result in no Benchmarks being published or available which could affect the ability of the relevant Issuer to meet its obligations under the Floating Rate Notes. Investors should consider these matters when making their investment decision with respect to the relevant Floating Rate Notes.

Exchange rate risks and exchange controls

The relevant Issuer, or, as the case may be, the Guarantor, will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In respect of any Notes issued with a specific use of proceeds, such as a Sustainable Bond, there can be no assurance that such use of proceeds will be suitable for the investment criteria of an investor

The Final Terms relating to any specific Tranche of Notes may provide that it will be the relevant Issuer's intention to apply the proceeds from an offer of those Notes specifically for projects and activities that promote green and/or social and/or sustainable purposes (either in those words or otherwise) ("**Sustainable Projects**"). Prospective investors should have regard to the information in the relevant Final Terms regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Notes together with any other investigation such investor deems necessary. In particular no assurance is given by the relevant Issuer and, in the case of Notes issued by Compass Group Finance B.V., the Guarantor that the use of such proceeds for any Sustainable Projects will satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates (in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, the relevant Sustainable Project). Furthermore, it should be noted that there is currently no clearly defined definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "green", "social" or "sustainable" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be defined as "green", "social" or "sustainable" or such other equivalent label nor can any assurance be given that such a clear definition or consensus will develop over time. Accordingly, no assurance is or can be given to investors that any projects or uses the subject of, or related to, any Sustainable Projects will meet any or all investor expectations regarding such "green", "social", "sustainable" or other equivalently labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Sustainable Projects.

No assurance or representation is given as to the suitability or reliability for any purpose whatsoever of any opinion or certification of any third party (whether or not solicited by the relevant Issuer or, in the case of Notes issued by Compass Group Finance B.V., the Guarantor) which may be made available in connection with the issue of any Notes and in particular with any Sustainable Projects to fulfil any environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion or certification is not, nor shall be deemed to be, incorporated in and/or form part of this Base Prospectus. Any such opinion or certification is not, nor should be deemed to be, a recommendation by the relevant Issuer or, in the case of Notes issued by Compass Group Finance B.V., the Guarantor, or any other person to buy, sell or hold any such Notes. Any such opinion or certification is only current as of the date that such opinion or certification was initially issued. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in such Notes. Currently, the providers of such opinions and certifications are not subject to any specific regulatory or other regime or oversight.

In the event that any such Notes are listed or admitted to trading on any dedicated "green", "social", "sustainable" or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the relevant Issuer or, in the case of Notes issued by Compass Group Finance B.V., the Guarantor, or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own by-laws or other governing rules or investment portfolio mandates, in particular with regard to any direct or indirect environmental,

sustainability or social impact of any projects or uses, the subject of or related to, any Sustainable Projects. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the relevant Issuer or, in the case of Notes issued by Compass Group Finance B.V., the Guarantor, or any other person that any such listing or admission to trading will be obtained in respect of any such Notes or, if obtained, that any such listing or admission to trading will be maintained during the life of the Notes.

While it is the intention of the relevant Issuer to apply the proceeds of any Notes so specified for Sustainable Projects in, or substantially in, the manner described in the relevant Final Terms, there can be no assurance that the relevant intended project(s) or use(s) the subject of, or related to, any Sustainable Projects will be capable of being implemented in or substantially in such manner and/or in accordance with any timing schedule and that accordingly such proceeds will be totally disbursed for the specified Sustainable Projects. Nor can there be any assurance that such Sustainable Projects will be completed within any specified period or at all or with the results or outcome (whether or not related to the environment) as originally expected or anticipated by the relevant Issuer. Any such event or failure by the relevant Issuer will not constitute an Event of Default under the Notes.

Any such event or failure to apply the proceeds of any issue of Notes for any Sustainable Projects as aforesaid and/or withdrawal of any such opinion or certification or any such opinion or certification attesting that the relevant Issuer is not complying in whole or in part with any matters for which such opinion or certification is opining or certifying on and/or any such Notes no longer being listed or admitted to trading on any stock exchange or securities market as aforesaid may have a material adverse effect on the value of such Notes and also potentially the value of any other Notes which are intended to finance Sustainable Projects and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose.

Investors should carefully consider these matters when making their investment decision with respect to any such Notes.

FINAL TERMS, PRICING SUPPLEMENT AND DRAWDOWN PROSPECTUSES

In this section the expression "necessary information" means, in relation to any Tranche of Notes, the necessary information which is material to an investor for making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuers and the Guarantor, as the case may be, and of the rights attaching to the Notes and the Guarantee, as the case may be and the reasons for the issuance and its impact on the Issuer. In relation to the different types of Notes which may be issued under the Programme by Compass PLC and Compass Group Finance B.V., each Issuer and the Guarantor, as the case may be, have endeavoured to include in this Base Prospectus all of the necessary information except for information relating to the Notes which is not known at the date of this Base Prospectus and which can only be determined at the time of an individual issue of a Tranche of Notes.

Any information relating to the Notes which is not included in this Base Prospectus and which is required in order to complete the necessary information in relation to a Tranche of Notes will be contained either in the relevant Final Terms, Pricing Supplement or in a Drawdown Prospectus. Such information will be contained in the relevant Final Terms or Pricing Supplement unless any of such information constitutes a significant new factor relating to the information contained in this Base Prospectus in which case such information, together with all of the other necessary information in relation to the relevant series of Notes (other than Exempt Notes), may be contained in a Drawdown Prospectus.

For a Tranche of Notes which is the subject of Final Terms or a Pricing Supplement, those Final Terms or that Pricing Supplement will, for the purposes of that Tranche only, complete this Base Prospectus and must be read in conjunction with this Base Prospectus. The terms and conditions applicable to any particular Tranche of Notes which is the subject of Final Terms are the Conditions of the Notes as completed to the extent described in the relevant Final Terms and the terms and conditions applicable to any particular tranche of Notes which is the subject of a Pricing Supplement are the Conditions of the Notes as completed, modified or superseded by the relevant Pricing Supplement.

The terms and conditions applicable to any particular Tranche of Notes which is the subject of a Drawdown Prospectus will be the Conditions as supplemented, amended and/or replaced to the extent described in the relevant Pricing Supplement or Drawdown Prospectus. In the case of a Tranche of Notes which is the subject of a Pricing Supplement or Drawdown Prospectus, each reference in this Base Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as a reference to such information being specified or identified in the relevant Pricing Supplement or Drawdown Prospectus unless the context requires otherwise.

Each Drawdown Prospectus will be constituted either (1) by a single document containing the necessary information relating to Compass PLC and Compass Group Finance B.V. and the relevant Notes or (2) by a registration document (the "**Registration Document**") containing the necessary information relating to Compass PLC and Compass Group Finance B.V., a securities note (the "**Securities Note**") containing the necessary information relating to the relevant Notes and, if necessary, a summary note. In addition, if the Drawdown Prospectus is constituted by a Registration Document and a Securities Note, any significant new factor, material mistake or inaccuracy relating to the information included in the Registration Document which arises or is noted between the date of the Registration Document and the date of the Securities Note which is capable of affecting the assessment of the relevant Notes will be included in the Securities Note.

FORMS OF THE NOTES

Bearer Notes

Each Tranche of Notes in bearer form ("**Bearer Notes**") will initially be in the form of either a temporary global note in bearer form (the "**Temporary Global Note**"), without interest coupons, or a permanent global note in bearer form (the "**Permanent Global Note**"), without interest coupons, in each case as specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement. Each Temporary Global Note or, as the case may be, Permanent Global Note (each a "**Global Note**") which is not intended to be issued in new global note ("**NGN**") form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a depositary or a common depositary for Euroclear Bank SA/NV ("**Euroclear**") and/or Clearstream Banking S.A. ("**Clearstream, Luxembourg**") and/or any other relevant clearing system. and each Global Note which is intended to be issued in NGN form, as specified in the relevant Final Terms, will be deposited on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and/or Clearstream, Luxembourg.

On 13 June 2006 the European Central Bank (the "**ECB**") announced that Notes in NGN form are in compliance with the "Standards for the use of EU securities settlement systems in ESCB credit operations" of the central banking system for the euro (the "**Eurosystem**"), provided that certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of 30 June 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after 31 December 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used.

In the case of each Tranche of Bearer Notes, the relevant Final Terms or, as the case may be, the relevant Pricing Supplement will also specify whether United States Treasury Regulation §1.163-5(c)(2)(i)(C) (the "**TEFRA C Rules**") or United States Treasury Regulation §1.163-5(c)(2)(i)(D) (the "**TEFRA D Rules**") are applicable in relation to the Notes or that neither the TEFRA C Rules nor the TEFRA D Rules are applicable.

Temporary Global Note exchangeable for Permanent Global Note

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for a Permanent Global Note", then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for interests in a Permanent Global Note, without interest coupons, not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. No payments will be made under the Temporary Global Note unless exchange for interests in the Permanent Global Note is improperly withheld or refused. In addition, interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever any interest in the Temporary Global Note is to be exchanged for an interest in a Permanent Global Note, the relevant Issuer and/or the Guarantor, as the case may be, shall procure (in the case of first exchange) the prompt delivery (free of charge to the bearer) of such Permanent Global Note, duly authenticated and, in the case of an NGN, effectuated, to the bearer of the Temporary Global Note or (in the case of any subsequent exchange) an increase in the principal amount of the Permanent Global Note in accordance with its terms against:

- (i) presentation and (in the case of final exchange) surrender of the Temporary Global Note to or to the order of the Principal Paying Agent; and
- (ii) receipt by the Principal Paying Agent of a certificate or certificates of non-U.S. beneficial ownership,

within 7 days of the bearer requesting such exchange.

Temporary Global Note exchangeable for Definitive Notes

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA C Rules are applicable or that neither the TEFRA C Rules nor the TEFRA D Rules are applicable,

then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole but not in part, for Bearer Notes in definitive form ("**Definitive Notes**") not earlier than 40 days after the issue date of the relevant Tranche of the Notes.

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Temporary Global Note exchangeable for Definitive Notes" and also specifies that the TEFRA D Rules are applicable, then the Notes will initially be in the form of a Temporary Global Note which will be exchangeable, in whole or in part, for Definitive Notes not earlier than 40 days after the issue date of the relevant Tranche of the Notes upon certification as to non-U.S. beneficial ownership. Interest payments in respect of the Notes cannot be collected without such certification of non-U.S. beneficial ownership.

Whenever the Temporary Global Note is to be exchanged for Definitive Notes, the relevant Issuer and/or the Guarantor, as the case may be, shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Temporary Global Note to the bearer of the Temporary Global Note against the surrender of the Temporary Global Note to or to the order of the Principal Paying Agent within 30 days of the bearer requesting such exchange.

Permanent Global Note exchangeable for Definitive Notes

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Permanent Global Note exchangeable for Definitive Notes", then the Notes will initially be in the form of a Permanent Global Note which will only be exchangeable in whole, but not in part, for Definitive Notes:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement; or
- (ii) if the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies "in the limited circumstances described in the Permanent Global Note", then only if one of the following events occurs:
 - (a) Euroclear or Clearstream, Luxembourg or any other relevant clearing system permanently ceases its business without appointing a successor entity; or
 - (b) the relevant Issuer requests an exchange following a change in tax law that would be adverse to such Issuer but for the issuance of Definitive Notes; or
 - (c) any of the circumstances described in Condition 13 (*Events of Default*) occurs and is continuing.

Whenever the Permanent Global Note is to be exchanged for Definitive Notes, the relevant Issuer and/or the Guarantor, as the case may be, shall procure the prompt delivery (free of charge to the bearer) of such Definitive Notes, duly authenticated and with Coupons and Talons attached (if so specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement), in an aggregate principal amount equal to the principal amount of the Permanent Global Note to or to the order of the bearer of the Permanent Global Note against the surrender of the Permanent Global Note to or to the order of the Principal Paying Agent within 45 days of the bearer requesting such exchange.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Definitive Note will be endorsed on that Note and will consist of the terms and conditions set out under "Terms and Conditions of the Notes" below and the provisions of the relevant Final Terms or, as the case may be, the relevant Pricing Supplement which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Note in global form will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below.

Legend concerning United States persons

In the case of any Tranche of Notes considered to be in bearer form for U.S. federal income tax purposes, the Notes in global form, the Notes in definitive form and any Coupons and Talons appertaining thereto will bear a legend to the following effect:

"Any United States person (as defined in the Internal Revenue Code of the United States) who holds this obligation, directly or indirectly, will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."

Registered Notes

Each Tranche of Notes in registered form ("**Registered Notes**") will be represented by either:

- (i) individual Note Certificates in registered form ("**Individual Note Certificates**"); or
- (ii) one or more global note certificates ("**Global Note Certificate(s)**"),

in each case as specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement.

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Individual Note Certificates", then the Notes will at all times be represented by Individual Note Certificates issued to each Noteholder in respect of their respective holdings. Each Global Note Certificate will be deposited on or around the issue date of the relevant Tranche of the Notes with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and registered in the name of the common depository (or its nominee) for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Global Note Certificate exchangeable for Individual Note Certificates

If the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies the form of Notes as being "Global Note Certificate exchangeable for Individual Note Certificates", then the Notes will initially be represented by one or more Global Note Certificates each of which will be exchangeable in whole, but not in part, for Individual Note Certificates:

- (i) on the expiry of such period of notice as may be specified in the relevant Final Terms or, as the case may be, the relevant Pricing Supplement; or
- (ii) if the relevant Final Terms or, as the case may be, the relevant Pricing Supplement specifies "in the limited circumstances described in the Global Note Certificate", then if either of the following events occurs:
 - (a) Euroclear, Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or has in fact done so and no alternative clearing system satisfactory to the Trustee is available; or
 - (b) any of the circumstances described in Condition 13 (*Events of Default*) occurs.

Whenever a Global Note Certificate is to be exchanged for Individual Note Certificates, each person having an interest in a Global Note Certificate must provide the Registrar (through the relevant clearing system) with such information as the relevant Issuer and the Registrar may require to complete and deliver Individual Note Certificates (including the name and address of each person in which the Notes represented by the Individual Note Certificates are to be registered and the principal amount of each such person's holding).

Whenever a Global Note Certificate is to be exchanged for Individual Note Certificates, the relevant Issuer and/or the Guarantor, as the case may be, shall procure that Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the Global Note Certificate within five business days of the delivery, by or on behalf of the registered holder of the Global Note Certificate to the Registrar of such information as is required to complete and deliver such Individual Note Certificates against the surrender of the Global Note Certificate at the specified office of the Registrar.

Such exchange will be effected in accordance with the provisions of the Trust Deed and the Agency Agreement and the regulations concerning the transfer and registration of Notes scheduled to the Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Terms and Conditions applicable to the Notes

The terms and conditions applicable to any Individual Note Certificate will be endorsed on that Individual Note Certificate and will consist of the terms and conditions set out under "Terms and Conditions of the Notes" below and the provisions of the relevant Final Terms or, as the case may be, the relevant Pricing Supplement which supplement, amend and/or replace those terms and conditions.

The terms and conditions applicable to any Global Note or Global Note Certificate will differ from those terms and conditions which would apply to the Note were it in definitive form to the extent described under "Summary of Provisions Relating to the Notes while in Global Form" below.

Summary of Provisions relating to the Notes while in Global Form

Clearing System Accountholders

In relation to any Tranche of Notes represented by a Global Note, references in the Terms and Conditions of the Notes to "Noteholder" are references to the bearer of the relevant Global Note which, for so long as the Global Note is held by a depositary or a common depositary or, in the case of an NGN, a common safekeeper, for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary.

In relation to any Tranche of Notes represented by one or more Global Note Certificates, references in the Terms and Conditions of the Notes to "Noteholder" are references to the person in whose name the relevant Global Note Certificate is for the time being registered in the Register which is held by or on behalf of a depositary or a common depositary for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, will be that depositary or common depositary or a nominee for that depositary or common depositary.

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Note or a Global Note Certificate (each an "**Accountholder**") must look solely to Euroclear, Clearstream, Luxembourg and/or such other relevant clearing system (as the case may be) for such Accountholder's share of each payment made by the relevant Issuer or the Guarantor, as the case may be, to the holder of such Global Note or Global Note Certificate and in relation to all other rights arising under such Global Note or Global Note Certificate. The extent to which, and the manner in which, Accountholders may exercise any rights arising under a Global Note or Global Note Certificate will be determined by the respective rules and procedures of Euroclear and Clearstream, Luxembourg and any other relevant clearing system from time to time. For so long as the relevant Notes are represented by a Global Note or Global Note Certificate, Accountholders shall have no claim directly against the relevant Issuer or the Guarantor, as the case may be, in respect of payments due under the Notes and such obligations of the relevant Issuer or the Guarantor, as the case may be, will be discharged by payment to the holder of such Global Note or Global Note Certificate.

Transfers of Interests in Global Notes and Global Note Certificates

Transfers of interests in Global Notes and Global Note Certificates within Euroclear and Clearstream, Luxembourg or any other relevant clearing system will be in accordance with their respective rules and operating procedures. None of the Issuers, the Guarantor, as the case may be, the Trustee, the Registrar, the Dealers or the Agents will have any responsibility or liability for any aspect of the records of Euroclear and Clearstream, Luxembourg or any other relevant clearing system or any of their respective participants relating to payments made on account of beneficial ownership interests in a Global Note or Global Note Certificate or for maintaining, supervising or reviewing any of the records of Euroclear and Clearstream, Luxembourg or any other relevant clearing system or the records of their respective participants relating to such beneficial ownership interests.

The laws of some states of the United States require that certain persons receive individual certificates in respect of their holdings of Notes. Consequently, the ability to transfer interests in a Global Note Certificate

to such persons will be limited. Because clearing systems only act on behalf of participants, who in turn act on behalf of indirect participants, the ability of a person having an interest in a Global Note Certificate to pledge such interest to persons or entities which do not participate in the relevant clearing systems, or otherwise take actions in respect of such interest, may be affected by the lack of an Individual Note Certificate representing such interest.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under "Transfer Restrictions", transfers Euroclear or Clearstream, Luxembourg accountholders will be effected by the relevant clearing systems in accordance with their respective rules and through action taken by the Registrar and the Principal Paying Agent.

For a further description of restrictions on the transfer of Notes, see "*Subscription and Sale*" and "*Transfer Restrictions*".

While a Global Note Certificate is lodged with Euroclear, Clearstream, Luxembourg or any relevant clearing system, Individual Note Certificates for the relevant Series of Notes will not be eligible for clearing and settlement through such clearing systems.

Conditions applicable to Global Notes and Global Note Certificates

Each Global Note and Global Note Certificate will contain provisions which modify the Terms and Conditions of the Notes as they apply to the Global Note or Global Note Certificate. The following is a summary of certain of those provisions:

On each occasion on which a payment of principal or interest is made in respect of the Global Note, the relevant Issuer, or the Guarantor, as the case may be, shall procure that payment is noted in a schedule thereto or, in respect of an NGN, the payment is entered pro rata in the records of Euroclear and Clearstream, Luxembourg.

Any such notice will be irrevocable and may not be withdrawn.

Partial exercise of call option: In connection with an exercise of the option contained in Condition 9(c) (*Redemption at the option of the Issuer*) in relation to some only of the Notes, the Permanent Global Note or Global Note Certificate may be redeemed in part in the principal amount specified by the relevant Issuer in accordance with the Conditions and the Notes to be redeemed will not be selected as provided in the Conditions but in accordance with the rules and procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion).

Notices: Notwithstanding Condition 20 (*Notices*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) or a Global Note Certificate and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are), or the Global Note Certificate is deposited with a depositary or a common depositary for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, notices to Noteholders may be given by delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system and, in any case, such notices shall be deemed to have been given to the Noteholders in accordance with Condition 20 (*Notices*) on the date of delivery to Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Record Date: Each payment in respect of a Global Note Certificate will be made to the person shown as the Holder in the Register at the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment (the "**Record Date**") where "**Clearing System Business**

Day" means a day on which each clearing system for which the Global Note Certificate is being held is open for business.

Payment Business Day: Notwithstanding the definition of "Payment Business Day" in Condition 2(a) (*Definitions*), while all the Notes are represented by a Permanent Global Note (or by a Permanent Global Note and/or a Temporary Global Note) or a Global Note Certificate and the Permanent Global Note is (or the Permanent Global Note and/or the Temporary Global Note are), or the Global Note Certificate is deposited with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system, "**Payment Business Day**" means:

- (a) if the currency of payment is euro, any day which is a TARGET Settlement Day and a day on which dealings in foreign currencies may be carried on in each (if any) Additional Financial Centre; or
- (b) if the currency of payment is not euro, any day which is a day on which dealings in foreign currencies may be carried on in the Principal Financial Centre of the currency of payment and in each (if any) Additional Financial Centre.

Eurosystem Eligibility

Where the Global Notes or the Global Certificates issued in respect of any Tranche are in NGN form, Euroclear and Clearstream, Luxembourg will be notified as to whether or not such Global Notes or Global Certificates are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes or Global Certificates are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg, as indicated in the applicable Final Terms.

- (a) *Application:* This Condition 6 (*Fixed Rate Note Provisions*) is applicable to the Notes only if the Fixed Rate Note Provisions are specified in the relevant Final Terms as being applicable.

- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition 6 (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent or the Trustee has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Fixed Coupon Amount:* The amount of interest payable in respect of each Note for any Interest Period shall be the relevant Fixed Coupon Amount and, if the Notes are in more than one Specified Denomination, shall be the relevant Fixed Coupon Amount in respect of the relevant Specified Denomination.
- (d) *Calculation of interest amount:* The amount of interest payable in respect of each Note for any period for which a Fixed Coupon Amount is not specified shall be calculated by applying the Rate of Interest to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.

7. **Floating Rate Note Provisions**

- (a) *Application:* This Condition 7 (*Floating Rate Note Provisions*) is applicable to the Notes only if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable.
- (b) *Accrual of interest:* The Notes bear interest from the Interest Commencement Date at the Rate of Interest payable in arrear on each Interest Payment Date, subject as provided in Condition 10 (*Payments - Bearer Notes*) and Condition 11 (*Payments - Registered Notes*). Each Note will cease to bear interest from the due date for final redemption unless, upon due presentation, payment of the Redemption Amount is improperly withheld or refused, in which case it will continue to bear interest in accordance with this Condition (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the relevant Noteholder and (ii) the day which is seven days after the Principal Paying Agent has notified the Noteholders that it has received all sums due in respect of the Notes up to such seventh day (except to the extent that there is any subsequent default in payment).
- (c) *Screen Rate Determination:* If Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be determined by the Calculation Agent on the following basis:
 - (i) if the Reference Rate is a composite quotation or customarily supplied by one entity, the Calculation Agent will determine the Reference Rate which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (ii) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
 - (iii) if, in the case of (i) above, such rate does not appear on that page or, in the case of (ii) above, fewer than two such rates appear on that page or if, in either case, the Relevant Screen Page is unavailable, the Calculation Agent will:
 - (A) request the principal Relevant Financial Centre office of each of the Reference Banks to provide a quotation of the Reference Rate at approximately the Relevant

Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time; and

- (B) determine the arithmetic mean of such quotations; and
- (iv) if fewer than two such quotations are provided as requested, the Calculation Agent will determine the arithmetic mean of the rates (being the nearest to the Reference Rate, as determined by the Calculation Agent) quoted by major banks in the Principal Financial Centre of the Specified Currency, selected by the Calculation Agent, at approximately 11.00 a.m. (local time in the Principal Financial Centre of the Specified Currency) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period equal to the relevant Interest Period and in an amount that is representative for a single transaction in that market at that time,

and the Rate of Interest for such Interest Period shall be the sum of the Margin and the rate or (as the case may be) the arithmetic mean so determined; **provided, however, that** if the Calculation Agent is unable to determine a rate or (as the case may be) an arithmetic mean in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to the Notes during such Interest Period will be the sum of the Margin and the rate or (as the case may be) the arithmetic mean last determined in relation to the Notes in respect of a preceding Interest Period.

- (d) *ISDA Determination:* If ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate(s) of Interest is/are to be determined, the Rate of Interest applicable to the Notes for each Interest Period will be the sum of the Margin and the relevant ISDA Rate where "ISDA Rate" in relation to any Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option (as defined in the ISDA Definitions) is as specified in the relevant Final Terms;
 - (ii) the Designated Maturity (as defined in the ISDA Definitions) is a period specified in the relevant Final Terms; and
 - (iii) the relevant Reset Date (as defined in the ISDA Definitions) is either (A) if the relevant Floating Rate Option is based on the LIBOR or on the EURIBOR for a currency, the first day of that Interest Period or (B) in any other case, as specified in the relevant Final Terms.
- (e) *Maximum or Minimum Rate of Interest:* If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the relevant Final Terms, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.
- (f) *Calculation of Interest Amount:* The Calculation Agent will, as soon as practicable after the time at which the Rate of Interest is to be determined in relation to each Interest Period, calculate the Interest Amount payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Period to the Calculation Amount, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest sub-unit of the Specified Currency (half a sub-unit being rounded upwards) and multiplying such rounded figure by a fraction equal to the Specified Denomination of the relevant Note divided by the Calculation Amount. For this purpose a "**sub-unit**" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means one cent.
- (g) *Calculation of other amounts:* If the relevant Final Terms specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent will, as soon as practicable after the time or times at which any such amount is to be determined, calculate the relevant amount. The relevant amount will be calculated by the Calculation Agent in the manner specified in the relevant Final Terms.

(h) *Publication:* The Calculation Agent will cause each Rate of Interest and Interest Amount determined by it, together with the relevant Interest Payment Date, and any other amount(s) required to be determined by it together with any relevant payment date(s) to be notified to the Paying Agents and each competent authority, stock exchange and/or quotation system (if any) by which the Notes have then been admitted to listing, trading and/or quotation as soon as practicable after such determination but (in the case of each Rate of Interest, Interest Amount and Interest Payment Date) in any event not later than the first day of the relevant Interest Period. Notice thereof shall also promptly be given to the Noteholders. The Calculation Agent will be entitled to recalculate any Interest Amount (on the basis of the foregoing provisions) without notice in the event of an extension or shortening of the relevant Interest Period. If the Calculation Amount is less than the minimum Specified Denomination the Calculation Agent shall not be obliged to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination.

(i) *Notifications etc:* All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer and the Guarantor, as the case may be, the Paying Agents, the Noteholders and the Couponholders and (subject as aforesaid) no liability to the Issuer, or the Guarantor, as the case may be, the Paying Agents, the Noteholders and the Couponholders will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

(j) *Benchmark Discontinuation:*

(i) If a Benchmark Event occurs in relation to the Reference Rate when the Rate of Interest (or any component part thereof) for any Interest Period remains to be determined by reference to such Reference Rate, then the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 7(j)(ii)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 7(j)(iii)) and any Benchmark Amendments (in accordance with Condition 7(j)(iv)).

In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Principal Paying Agent, Trustee or the Noteholders for any determination made by it pursuant to this Condition 7(j).

If (i) the Issuer is unable to appoint an Independent Adviser or (ii) the Independent Adviser appointed by it fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 7(j) prior to the relevant Interest Determination Date, the Reference Rate applicable to the immediate following Interest Period shall be the Reference Rate applicable as at the last preceding Interest Determination Date. If there has not been a first Interest Payment Date, the Reference Rate shall be the Reference Rate applicable to the first Floating Rate Interest Period. For the avoidance of doubt, any adjustment pursuant to this final paragraph of Condition 7(j) shall apply to the immediately following Interest Period only. Any subsequent Interest Period may be subject to the subsequent operation of this Condition 7(j).

(ii) If the Independent Adviser determines in its discretion that:

(A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 7(j)(iii)) subsequently be used in place of the Reference Rate to determine the Rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(j); or

(B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 7(j)(iii)) subsequently be used in place of the Reference Rate to determine the rate of Interest for the immediately following Interest Period and all following Interest Periods, subject to the subsequent operation of this Condition 7(j).

- (iii) If the Independent Adviser determines in its discretion (A) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (B) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall apply to the Successor Rate or the Alternative Rate (as the case may be).
- (iv) If any relevant Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 7(j) and the Independent Adviser determines in its discretion (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, following consultation with the person specified in the applicable Final Terms as the party responsible for calculating the rate of interest and the Interest Amount(s), subject to giving notice thereof in accordance with Condition 7(j)(v), without any requirement for the consent or approval of relevant Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice (and for the avoidance of doubt, the Principal Paying Agent shall, at the direction and, in accordance with Clause 11.1 (*Commissions and Expenses*) of the Agency Agreement, expense of the Issuer, consent to and effect such consequential amendments to the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 7(j)). In addition, but subject to receipt by the Trustee of a certificate signed by an Authorised Signatory of the Issuer pursuant to Condition 7(j)(vi), the Trustee shall (at the expense of the Issuer in accordance with Clause 12.1.5 (*Expenses*) of the Trust Deed), without the requirement for the consent or approval of the Noteholders or Couponholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee (acting reasonably) doing so would have the effect of imposing more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities over and above those which it has in these Conditions or the Trust Deed (including, for the avoidance of doubt, any Supplemental Trust Deed) or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any Supplemental Trust Deed) in any way.
- (v) Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 7(j) will be notified promptly by the Issuer to the Principal Paying Agent, the Trustee, the Calculation Agent and, in accordance with Condition 14, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.
- (vi) No later than notifying the Principal Paying Agent and the Trustee of the same, the Issuer shall deliver to the Principal Paying Agent and the Trustee a certificate signed by an Authorised Signatory of the Issuer:
 - (A) confirming (x) that a Benchmark Event has occurred, (y) the relevant Successor Rate, or, as the case may be, the relevant Alternative Rate and, (z) where applicable, any relevant Adjustment Spread and/or the specific terms of any relevant Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 7(j); and
 - (B) certifying that the relevant Benchmark Amendments are necessary to ensure the proper operation of such relevant Successor Rate, Alternative Rate and/or Adjustment Spread.

The Trustee and the Agents shall be entitled to rely on such certificate (without inquiry and without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of such Successor Rate or Alternative Rate and such Adjustment Spread (if any) and such

Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Issuer, the Principal Paying Agent, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders as of their effective date.

- (vii) Without prejudice to the obligations of the Issuer under Condition 7(j)(i), (ii), (iii) and (iv), the Reference Rate and the fallback provisions provided for in the definition of the term "Reference Rate" will continue to apply unless and until a Benchmark Event has occurred.
- (viii) As used in this Condition 7(j):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines is required to be applied to the relevant Successor Rate or the relevant Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) (if no such recommendation has been made, or in the case of an Alternative Rate) the Independent Adviser determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be); or
- (C) (if the Independent Adviser determines that no such industry standard is recognised or acknowledged) the Independent Adviser determines to be appropriate.

A "**Cross Put Event**" shall be deemed to have occurred at any time that an Existing Holder is entitled to require the Issuer to redeem its notes, due to the occurrence of a "Put Event" as defined in the Existing Holder's relevant notes.

Bearer Notes) or Condition 11 (in the case of Registered Notes). A Put Option Notice once given shall be irrevocable. The Paying Agent to which such Note and Put Option Notice are delivered will issue to the Noteholder concerned a Put Option Receipt in respect of such Note delivered. The Issuer shall redeem the Notes in respect of which Put Option Receipts have been issued on the Put Date.

- (f) if an encumbrancer takes possession or an administrative or other receiver is appointed of the whole or any material part of the undertaking or assets of the Issuer, or in the case of the Guaranteed Notes, the Guarantor, or any Material Subsidiary or if a distress, execution or any similar proceeding is levied or enforced upon or sued out against a material part of the undertaking or assets or any Material Subsidiary and is not discharged within 28 days or such longer period as the Trustee may agree; or
- (g) if the Issuer, or in the case of the Guaranteed Notes, the Guarantor or any Material Subsidiary is deemed unable to pay its debts within the meaning of Section 123(1)(b), (c) or (d) of the Insolvency Act 1986, as amended, or the Issuer, the Guarantor, as the case may be, or any Material Subsidiary becomes unable to pay its debts as they fall due or the Issuer, the Guarantor, as the case may be,

- (i) any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in any of the foregoing paragraphs; or
- (j) if, in the case of the Guaranteed Notes only, the Guarantee of the Notes is not (or is claimed by the Guarantor not to be), in full force and effect,

provided, however that in the case of any Event of Default other than those described in paragraphs (a) and (in the case of a winding up or dissolution of the relevant Issuer or in the case of the Guaranteed Notes, the Guarantor) (d) above, the Trustee shall have certified that the Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

14. **Prescription**

If any Note, Note Certificate or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Principal Paying Agent, in the case of Bearer Notes, or the Registrar, in the case of Registered Notes (and, if the Notes are then admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent or Transfer Agent in any particular place, the Paying Agent or Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system), subject to all applicable laws and competent authority, stock exchange and/or quotation system requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, security, indemnity and otherwise as the Issuer or the Guarantor as the case may be, may reasonably require. Mutilated or defaced Notes, Note Certificates or Coupons must be surrendered before replacements will be issued.

16. **Trustee and Agents**

Under the Trust Deed, the Trustee is entitled to be indemnified and relieved from responsibility in certain circumstances and to be paid its costs and expenses in priority to the claims of the Noteholders. In addition, the Trustee is entitled to enter into business transactions with the Issuer or the Guarantor, as the case may be, and any entity relating to the Issuer or the Guarantor without accounting for any profit.

In the exercise of its powers and discretions under these Conditions and the Trust Deed, the Trustee will have regard to the interests of the Noteholders as a class and will not be responsible for any consequence for individual Holders of Notes as a result of such Holders being connected in any way with a particular territory or taxing jurisdiction.

In acting under the Agency Agreement and in connection with the Notes and the Coupons, the Agents act solely as agents of the Issuer and the Guarantor, as the case may be and (to the extent provided therein) the Trustee and do not assume any obligations towards or relationship of agency or trust for or with any of the Noteholders or Couponholders.

The initial Agents and their initial Specified Offices are listed below. The initial Calculation Agent (if any) is specified in the relevant Final Terms. The Issuer and the Guarantor, as the case may be, reserve the right (with the prior approval of the Trustee) at any time to vary or terminate the appointment of any Agent and to appoint a successor paying agent or registrar or Calculation Agent and additional or successor paying agents; **provided, however, that:**

- (i) the Issuer and the Guarantor, as the case may be, shall at all times maintain a paying agent and a registrar; and
- (ii) if a Calculation Agent is specified in the relevant Final Terms, the Issuer and the Guarantor, as the case may be, shall at all times maintain a Calculation Agent; and
- (iii) if and for so long as the Notes are admitted to listing, trading and/or quotation by any competent authority, stock exchange and/or quotation system which requires the appointment of a Paying Agent and/or a Transfer Agent in any particular place, the Issuer and the Guarantor, as the case may be, shall maintain a Paying Agent and/or a Transfer Agent having its Specified Office in the place required by such competent authority, stock exchange and/or quotation system.

Notice of any change in any of the Agents or in their Specified Offices shall promptly be given to the Noteholders.

17. **Meetings of Noteholders; Modification and Waiver; Substitution**

- (a) *Meetings of Noteholders:* The Trust Deed contains provisions for convening meetings of Noteholders to consider matters relating to the Notes, including the modification of any provision of these Conditions. Any such modification may be made if sanctioned by an Extraordinary Resolution. Such a meeting may be convened by the Issuer, or in the case of the Guaranteed Notes, the Guarantor or by the Trustee and shall be convened by the Trustee upon the request in writing of Noteholders holding not less than five per cent. of the aggregate principal amount of the outstanding Notes. The quorum at any meeting convened to vote on an Extraordinary Resolution will be one or more Persons holding or representing not less than a clear majority of the aggregate principal amount of the outstanding Notes or, at any adjourned meeting, one or more Persons being or representing Noteholders whatever the principal amount of the Notes held or represented; **provided, however, that** Reserved Matters may only be sanctioned by an Extraordinary Resolution passed at a meeting of Noteholders at which one or more Persons holding or representing not less than two-thirds or, at any adjourned meeting, one-third of the aggregate principal amount of the outstanding Notes form a quorum. Any Extraordinary Resolution duly passed at any such meeting shall be binding on all the Noteholders and Couponholders, whether present or not.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders under the Trust Deed will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

- (b) *Modification and waiver:* The Trustee may, without the consent of the Noteholders, agree to any modification of these Conditions or the Trust Deed (other than in respect of a Reserved Matter) which is, in the opinion of the Trustee, proper to make if, in the opinion of the Trustee, such modification will not be materially prejudicial to the interests of Noteholders and to any modification of the Notes or the Trust Deed which is of a formal, minor or technical nature or is to correct a manifest error.

In addition, the Trustee may, without the consent of the Noteholders, authorise or waive any proposed breach or breach of the Notes or the Trust Deed (other than a proposed breach or breach

relating to the subject of a Reserved Matter) if, in the opinion of the Trustee, the interests of the Noteholders will not be materially prejudiced thereby.

Unless the Trustee agrees otherwise, any such authorisation, waiver or modification shall be notified to the Noteholders in accordance with Condition 20 (*Notices*) as soon as practicable thereafter.

- (c) *Substitution*: The Trustee may, without the consent of the Noteholders, agree with the Issuer, to the substitution in place of the Issuer (or of any previous substitute under this Condition 17 (*Meeting of Noteholders; Modification and Waiver; Substitution*)) as the principal debtor under the Notes, the Coupons and the Trust Deed of a Subsidiary of the Issuer or (in the case of Guaranteed Notes) the Guarantor, subject to (a) the Notes being unconditionally and irrevocably guaranteed by Compass PLC, (b) the Trustee being satisfied that the interests of the Noteholders will not be materially prejudiced by the substitution and (c) certain other conditions set out in the Trust Deed being complied with.

18. **Enforcement**

The Trustee may at any time, at its discretion and without notice, institute such proceedings as it thinks fit to enforce its rights under the Trust Deed in respect of the Notes, but it shall not be bound to do so unless:

- (i) it has been so requested in writing by the Holders of at least one-fifth of the aggregate principal amount of the outstanding Notes or has been so directed by an Extraordinary Resolution; and
- (ii) it has been indemnified or provided with security to its satisfaction.

No Noteholder may proceed directly against the Issuer or, in the case of the Guaranteed Notes, the Guarantor unless the Trustee, having become bound to do so, fails to do so within a reasonable time and such failure is continuing.

19. **Further Issues**

The Issuer may from time to time, without the consent of the Noteholders and in accordance with the Trust Deed, create and issue (and, in the case of Guaranteed Notes, the Guarantor may guarantee) further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes. The Issuer may from time to time, with the consent of the Trustee, create and issue (and, in the case of Guaranteed Notes, the Guarantor may guarantee) other series of notes having the benefit of the Trust Deed.

20. **Notices**

- (a) *Bearer Notes*: Notices to the Holders of Bearer Notes shall be valid if published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*) or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the date of first publication (or if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the Holders of Bearer Notes.
- (b) *Registered Notes*: Notices to the Holders of Registered Notes shall be sent to them by first class mail (or its equivalent) or (if posted to an overseas address) by airmail at their respective addresses on the Register or, if such publication is not practicable, in a leading English language daily newspaper having general circulation in Europe. Any such notice shall be deemed to have been given on the fourth day after the date of mailing.

21. **Currency Indemnity**

The Issuer and in the case of the Guaranteed Notes, the Guarantor, shall indemnify the Trustee, the Agents, every Appointee, the Noteholders and the Couponholders and keep them indemnified against:

- (a) any Liability incurred by any of them arising from the non-payment by the Issuer or, in the case of the Guaranteed Notes, the Guarantor, of any amount due to the Trustee, the Agents or the holders of the Notes and the relative Couponholders under the Trust Deed by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer or the Guarantor, as the case may be; and
- (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date of which the local currency equivalent of the amounts due or contingently due under the Trust Deed is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer or the Guarantor, as the case may be, and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities constitute separate and independent obligations of the Issuer and/or the Guarantor, as the case may be.

22. **Rounding**

For the purposes of any calculations referred to in these Conditions (unless otherwise specified in these Conditions or the relevant Final Terms), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

23. **Governing Law and Jurisdiction**

- (a) *Governing law:* The Notes and the Trust Deed and all non-contractual obligations arising out of or in connection with the Notes and the Trust Deed are governed by English law.
- (b) *Jurisdiction:* The Issuer and, in the case of the Guaranteed Notes, the Guarantor has in the Trust Deed (i) agreed that the courts of England shall have exclusive jurisdiction to settle any dispute (a "**Dispute**") arising out of or in connection with the Notes or the Trust Deed (including a dispute relating to any non-contractual obligation arising out of or in connection with the Notes or the Trust Deed) and (ii) agreed that those courts are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue that any other courts are more appropriate or convenient. The Trust Deed also states that nothing contained in the Trust Deed prevents the Trustee or any of the Noteholders from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction and that, to the extent allowed by law, the Trustee or any of the Noteholders may take concurrent Proceedings in any number of jurisdictions.

FORM OF FINAL TERMS

Set out below is the form of Final Terms which will be completed for each Tranche of Notes which are not Exempt Notes issued under the Programme.

[PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**") or in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. No key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.]

[MiFID II product governance/Professional investors and ECPs only target market – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in [Directive 2014/65/EU (as amended, "**MiFID II**")/[MiFID II]; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer[*s/s'*] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[*s/s'*] target market assessment) and determining appropriate distribution channels.]

[Singapore Securities and Futures Act Product Classification – Solely for the purposes of its obligations pursuant to sections 309B(1)(a) and 309B(1)(c) of the Securities and Futures Act (Chapter 289 of Singapore) (the "**SFA**"), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A of the SFA) that the Notes are ["prescribed capital markets products "]/["capital markets products other than prescribed capital markets products"] (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and ["Excluded Investment Products "]/["Specified Investment Products"] (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).]

PART A – CONTRACTUAL TERMS

The Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area or the UK which has implemented the Prospectus Regulation (as defined below) (each, "**Relevant States**") will be made pursuant to an exemption under the Prospectus Regulation, as implemented in that Relevant State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant State of the Notes may only do so in circumstances in which no obligation arises for the Issuer[, or the Guarantor] or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation (as defined below) or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer. Neither the Issuer[, the Guarantor] nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer[, the Guarantor] or any Dealer to publish or supplement a prospectus for such offer.

This document constitutes the Pricing Supplement of the Notes described herein. This document must be read in conjunction with the Base Prospectus dated 25 August 2020 [and the supplement(s) to it dated [•]] (the "**Base Prospectus**"). This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with such Base Prospectus.

Copies of the Base Prospectus [and the supplemental Base Prospectus(es)] may be obtained during normal business hours from the registered office of the Issuer[, the Guarantor] and from the specified office of the Principal Paying Agent in London.

(The following alternative language applies if the first tranche of an issue which is being increased was issued under a base prospectus with an earlier date and either (1) the Notes which are the subject of the Final Terms are not being (a) offered to the public in a member state or the UK (other than pursuant to one or more of the exemptions set out in Article 1.4 of the Prospectus Regulation) or (b) admitted to trading on a regulated market in a member state or the UK or (c) admitted to listing or (2) the Conditions (as defined in the next paragraph) do not contain, by comparison with the Base Prospectus, any "significant new factor" within the meaning of Article 23.1 of the Prospectus Regulation. If neither (1) nor (2) applies the Issuer will need to consider effecting the issue by means of a supplement to the Base Prospectus or a standalone prospectus rather than by Final Terms.)

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the "**Conditions**") set forth in the Base Prospectus [dated [original date] which are incorporated by reference in the Base Prospectus].

(The following alternative language applies if the first tranche of an issue which is being increased was issued under a base prospectus with an earlier date and the relevant terms and conditions from that base prospectus with an earlier date were incorporated by reference in this Base Prospectus.)

This Pricing Supplement does not constitute, and may not be used for the purposes of, an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction in which such offer or solicitation is not authorised, or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Pricing Supplement in any jurisdiction where such action is required.

Compass PLC was incorporated on 29 September 2000 in the United Kingdom and operates under English law. It was initially registered under the name of Compass Demerger Limited prior to changing its name to Compass Group PLC and re-registering as a public limited company (with the registered number 4083914) under the Companies Act 1985 on 30 November 2000. The registered office of Compass PLC is Compass House, Guildford Street, Chertsey, Surrey KT16 9BQ. The telephone number of Compass PLC's registered office is +44 (0)1932 573 000.

History

The origins of Compass PLC's business activities can be traced back to Factory Canteens Limited, which was founded in the United Kingdom in 1941 to feed munitions workers. The business was acquired by Grand Metropolitan in the late 1960s and a management buy-out from Grand Metropolitan followed in 1987, with the then Compass Group PLC ("**Former Compass Group**") listing on the London Stock Exchange in December 1988. This company became a member of the FTSE100 in 1998.

On 27 July 2000, Former Compass Group and Granada Group PLC ("**Granada**") merged to create Granada Compass PLC (the "**Merger**"). Following the Merger, in February 2001 the hospitality and media businesses of Granada Compass PLC were separated by means of a demerger (the "**Demerger**").

The Demerger created two groups with separate listings on the London Stock Exchange:

- Granada Compass PLC (renamed Granada PLC) – a major independent media group; and
- Compass Group - one of the world's leading hospitality groups.

The Compass Group has since grown organically and through acquisitions to become a foodservice and support services company. In the year ending 30 September 2019, Compass Group employed around 600,000 people and served approximately 5.5 billion meals to clients and consumers in 45 countries across the world.

Business Overview

Foodservice is the Group's focus and core competence. The Group takes a pragmatic and targeted approach to other support services, developing strategies on a country by country basis. The Group has a globally diversified business and the Group seeks to achieve scale in the countries in which it operates to help drive efficiencies. The Group's global spread enables it both to benefit from the global trend to outsourcing and to serve its multinational clients. The Group segments the market and creates sectors and sub-sectors to develop customised dining solutions that meet the requirements of a growing range of clients and consumers and continues to focus on cost efficiencies to drive margin and re-investment of free cash flow to drive growth. In tandem with its concentration on organic growth the Group plans to continue to look to make selective bolt-on acquisitions with a preference for small to medium sized opportunities. The Group also plans to make some targeted disposals or business closures in order to simplify its portfolio and focus on food, its core competence, in its key markets. Any such sale and closure of businesses will be considered based on potential, be that market growth, scalability, or compatibility with the Group's position and capability.

Performance, People and Purpose

Since the introduction of its strategic focus on Performance, People and Purpose in November 2018, the Group has made good progress improving the long-term quality and sustainability of the business. Performance relates to the Group's desire to continue to drive growth and to further consolidate its competitive advantage and its position as an efficient provider. This allows the Group to offer clients and

consumers value and to create more compelling and innovative solutions reflecting the latest trends in the market. People reflects the Group's desire to attract and develop strong leaders and unit managers, create positive and inclusive work places, and foster a diverse workforce that mirrors the communities in which it operates. The Group is committed to give its people the safest and fairest environment in which to work. Purpose addresses the Group's social and sustainability responsibilities. As well as prioritising safety, the Group seeks to work with suppliers to source responsibly, and target actions that make the greatest environmental difference and enrich local communities.

Market Sectors

The Group provides food service and support services to clients and consumers at work, at schools and universities, in hospitals and senior living communities, at sporting and cultural events, or in remote environments. The Group segments its markets into the following sectors: Business & Industry, Education, Healthcare and Senior Living, Sports & Leisure and Defence, Offshore & Remote. The Group recognises that each sector has specific requirements and assigns specialists to drive tailor-made solutions and operating efficiency. The Group has developed sector and sub-sector specific operating businesses to enable it to focus on the different requirements of its clients:

Business & Industry

In this sector the Group provides a choice of quality, nutritious and well-balanced food for its clients' employees throughout the working day, be they in offices, at distribution centres, at factories or in any other work environment. The Group works closely with clients to define and deliver the most appropriate solution – from restaurants and café style outlets to coffee bars and vending.

Also included within this sector is "Fine Dining", where the Group works with renowned chefs to bring their expertise to customers in executive dining rooms and to provide hospitality for social and cultural events.

In addition, where clients seek broader service offerings, the Group can deliver a range of support services on an international scale.

Sector brands include: Eures, Restaurant Associates, Bon Appétit, and Flik.

Healthcare & Seniors

In this sector the Group provides foodservices to patients, staff and visitors in hospitals and nursing and residential homes in the public and private sectors. The Group uses the very highest standards of food safety and hygiene and works with clinical staff to understand and meet the nutritional needs of patients and residents. The Group also provides a range of complementary support services including cleaning and housekeeping.

Sector brands include: Medirect, Crothall and Morrison.

Education

Within the Education sector the Group provides catering and support services to schools, colleges and universities. Its "Eat, Learn, Live" philosophy embodies its commitment to offer students healthy eating options and nutrition education, while contributing to a sustainable world.

Sector brands include: Chartwells, Bon Appétit and Flik.

Sports & Leisure

The Group provides quality foodservice at some of the world's most prestigious sporting and leisure venues, visitor attractions and social events. In addition, the Group delivers the specialist in-house expertise and resources to provide a single source for the marketing and management of corporate hospitality packages.

Sector brand: Levy.

Defence, Offshore & Remote Sites

In the remote and offshore sectors the Group delivers food and support services to major companies in the oil, gas, mining and construction industries operating in some of the most demanding environments in the world.

In the defence sector, the Group operates outside of areas of conflict.

Sector brand: ESS Support Services Worldwide.

Consumer Brands

In addition to its client-facing sector brands, the Group creates, maintains and develops a portfolio of its own consumer-facing brands. To complement the Group's in-house brands in certain markets and countries, the Group leverages its scale to operate major "high-street" consumer brands (for example Marks & Spencer, Subway, Costcutter, Costa and Starbucks) from its clients' premises. These are normally operated on a franchise basis, which enables the Group to combine its market expertise and service skills with the consumer awareness of such brands.

Clients

The Group caters to a large and diverse client base, including a number of global and multinational companies such as Microsoft, Google, Shell, Chevron and IBM.

Contracts with clients are principally based on a cost-plus, profit and loss or fixed price model, with revenues distributed broadly equally between the three models. Input cost increases are passed on to clients under the cost-plus model and, where permitted by contractual indexation clauses, under the fixed price model. The profit and loss model allows the Group to seek to renegotiate prices, subject to competitive pressures, in the event of an increase in input costs.

Geographical Diversification

The Group has a globally diversified business that operates in 45 countries around the world. Based on internal estimates the Group believes that it is the contract foodservice market leader in the United States, the United Kingdom, Germany, Turkey, Canada, Australia and Brazil and that it is either the second or third largest operator in France and Spain.

The Group's operations are managed on a country by country basis, and it has reported in its consolidated financial statements (including in the audited consolidated financial statements for the year ended 30 September 2019) through three regions: (i) North America; (ii) Europe and (iii) Rest of World.

Based on the twelve months ended 30 September 2019, North America was the Group's largest region accounting for approximately 62.4 per cent of revenue, followed by Europe with approximately 23.3 per cent and Rest of World with approximately 14.3 per cent.

Management and Performance ("MAP") framework

In 2006, the Group launched its MAP framework which it continues to implement. MAP is a simple, but clearly defined, Group operating framework. It focuses on five key value drivers, enabling the businesses to deliver disciplined, profitable growth with the focus more on organic growth and like for like growth, as well as cost control.

The five key value drivers are:

Client Sales and Marketing (MAP1): delivering profitable growth from existing and new clients and developing the Group's penetration into chosen markets. Through MAP 1 the Group invests in sales and retention and is increasingly sectorising and sub-sectoring the business around the world to allow it to get closer to its customers. This approach allows the Group to develop bespoke offers that best meet clients' needs.

Consumer Sales and Marketing (MAP 2): driving growth in consumer volume and spending through innovation, pricing and retail skills. MAP 2 focuses on developing intelligent marketing programmes and training schemes in order to attract and satisfy the customer base with strong consumer propositions.

Cost of Food (MAP 3): buying the optimal quality and range of food at the lowest cost to meet the needs of customers, with the most efficient distribution and in unit preparation. In addition to the benefits of scale in food procurement, MAP 3 addresses cost efficiencies through careful menu planning and by rationalising the number of products bought and the number of suppliers products are bought from.

Unit Costs (MAP 4): delivering the right level of service in the most efficient way, focusing on labour scheduling techniques and improving productivity and controlling other unit costs.

Above Unit Overheads (MAP 5): creating a simpler but highly effective management structure with fewer layers and less bureaucracy.

The MAP framework has been highly successful in delivering and improving financial performance.

Competitive position

The global foodservice market is a highly fragmented market with relatively low contractor penetration and only a few truly global participants. The aggregate total revenues based on the latest published financial information of the largest four foodservice providers (Compass Group, Sodexo, Elior and Aramark) are estimated to be approximately £60 billion. Compass Group's total revenues are the largest of the principal operators, representing approximately 40 per cent. of these aggregate total revenues.

Recent developments

Compass Group's organic revenue growth was 6.4 per cent in the year ended 30 September 2019 and was 1.6 per cent. for the six month period ending 31 March 2020.

From March 2020 the outbreak of the COVID-19 pandemic significantly impacted Compass Group's business. By 31 March 2020, between 45 per cent. and 50 per cent. of Compass Group's operations were closed as Governments throughout the world implemented lock-down measures to protect their populations against the spread of the virus. Dependent on sector and region, Compass Group's business has been re-opening since 31 March 2020, with approximately 55 per cent. of its business open by the end of May 2020 and approximately 60 per cent. open by the end of June 2020.

In response to the ongoing crisis Compass Group has taken a number of steps including raising £2 billion through an equity placing in order to secure liquidity and strengthen its balance sheet. The proceeds of the equity placing were used to repay certain financing Compass Group had previously obtained in order to mitigate the potential impact of COVID-19, including repaying a £600 million drawing under the Bank of England's COVID Corporate Financing Facility ("CCFF"), repaying £201 million drawn under credit facilities and repaying £42 million of maturing commercial paper. As at 30 June 2020, Compass Group's net debt was £3.2 billion³ (compared to £4.3 billion as at 30 September 2019) and its total liquidity was £5.0 billion (comprised of £2.8 billion in undrawn credit facilities, confirmed eligibility under CCFF for £600 million and £1.6 billion in cash).

Compass Group has also secured waivers of the financial covenant tests in Compass Group's US Private Placement agreements in respect of the reporting dates falling in September 2020 and March 2021 (the interest cover test will still apply as at the March 2021 reporting date but on pro-forma six-month basis). Lastly, Compass Group has introduced cost-cutting measures intended to save around £500 million per month and the interim and final dividends scheduled for 2021 have been cancelled.

On 24 March 2020, Standard & Poor's confirmed that Compass Group's long-term rating remains at A and changed the Outlook from Stable to Negative. Compass Group's long-term rating from Moody's remains at A3 (Stable Outlook).

From 1 October 2019 to 31 March 2020, no ordinary shares of Compass PLC were repurchased. Shares held in treasury are not eligible to participate in dividends and do not carry any voting rights.

³ Calculated on an IFRS16 basis.

During the period from 1 October 2019 to 31 March 2020, Compass Group completed several disposals generating proceeds of £39 million and spent £446 million on bolt-on acquisitions, principally in the Nordic region through the acquisition of Fazer Food Services for consideration of £364 million. Fazer Food Services is a leading foodservice provider in the Nordic region with operations in Finland, Sweden, Norway and Denmark and across several sectors including Business & Industry, Education, Healthcare, Seniors and Defence. Compass Group expects that Fazer Food Services' focus on food and culinary innovation will further strengthen Compass Group's existing offering in the Nordic region and will enable it to create more compelling and innovative solutions for its clients and consumers.

Litigation

On 21 October 2005, Compass PLC announced that it had instructed Freshfields Bruckhaus Deringer LLP to conduct an investigation into the relationships between Eurest Support Services ("**ESS**") (a member of the Group), IHC Services Inc. ("**IHC**") and the United Nations (the "**UN**"). Ernst & Young LLP assisted Freshfields Bruckhaus Deringer LLP in this investigation. On 1 February 2006, it was announced that the investigation had concluded.

The investigation established serious irregularities in connection with contracts awarded to ESS by the UN. The work undertaken by Freshfields Bruckhaus Deringer LLP and Ernst & Young LLP gave no reason to believe that these issues extended beyond a few individuals within ESS to other parts of ESS or the wider Compass Group of companies.

The Group settled all outstanding civil litigation against it, in relation to this matter, in October 2006, but litigation continues between competitors of ESS, IHC and other parties involved in UN procurement.

IHC's relationship with the UN and ESS was part of a wider investigation into UN procurement activity being conducted by the United States Attorney's Office for the Southern District of New York, and with which the Group co-operated fully. The current status of that investigation is uncertain and a matter for the US authorities. Those investigators could have had access to sources unavailable to the Group, Freshfields Bruckhaus Deringer LLP or Ernst & Young LLP, and further information may yet emerge which is inconsistent with, or additional to, the findings of the Freshfields Bruckhaus Deringer LLP investigation, which could have an adverse impact on the Group. The Group has however not been contacted by, or received further requests for information from, the United States Attorney's Office for the Southern District of New York in connection with these matters since January 2006. The Group has cooperated fully with the UN through-out.

The Group is also involved in various other legal proceedings incidental to the nature of its business and maintains insurance cover to reduce financial risk associated with claims related to these proceedings. Where appropriate, provisions are made to cover any potential uninsured losses.

The increasingly complex international corporate tax environment and an increase in audit activity from tax authorities means that the potential for tax uncertainties and disputes has increased. The Group is currently subject to a number of audits and reviews in jurisdictions around the world that primarily relate

to complex corporate tax issues. None of these tax audits is currently expected to have a material impact on the Group's financial position. In addition, the Group continues to engage with tax authorities and other regulatory bodies on both payroll and sales tax reviews, and compliance with labour laws and regulations. The Group currently does not expect any of these to have a material impact on its financial position.

In April 2019, the European Commission published its final decision on the Group Financing Exemption in the UK's Controlled Foreign Company legislation concluding that part of the legislation is in breach of EU State Aid rules. Like many other multinational groups that have acted in accordance with the UK legislation in force at the time, the Group may be affected. The UK government and UK-based multinational companies, including the Group, have appealed to the General Court of the European Union against the decision. The UK government is required to start collection proceedings in advance of the appeal results and it is possible that the Group will be required to make a payment in the financial year ending 30 September 2020. At present it is not possible to determine the amount that the UK government will seek to collect. If the decision of the European Commission is upheld, the Group has calculated its maximum potential liability to be £113 million at 30 September 2019. The final impact on the Group remains uncertain and its current assessment is that no provision is required.

During the course of the financial year ended 30 September 2019, the federal tax authorities in Brazil have issued a number of notices of deficiency which the Group has formally objected to and which are now proceeding through the appeals process. These assessments relate primarily to the PIS (Programme of Social Integration) / COFINS (Contribution for the Financing of Social Security) treatment of certain food costs and the corporate income tax treatment of goodwill deductions. As at 30 September 2019, the total amount assessed in respect of these matters is £44 million. The possibility of further assessments cannot be ruled out and the judicial process is likely to take a number of years to conclude. Based on the opinion of its local legal advisors, the Group does not currently consider it likely that it will have to settle a liability with respect to these matters, and on this basis no provision was recorded as at 30 September 2019. The Group does not currently expect any of these issues to have a material impact on its financial position.

Material Contracts

The Compass Group has not entered into any material contracts in areas outside of its ordinary course of business which could result in any member of the Compass Group being under an obligation or an entitlement that is material to Compass PLC's ability to meet its obligations to holders of the Notes issued under the Programme, or, as the case may be, its obligations under the Guarantee.

ALTERNATIVE PERFORMANCE MEASURES

Compass Group uses underlying and other alternative performance measures ("APMs") which are not recognised by generally accepted accounting principles such as IFRS. Underlying and alternative performance measures are presented as additional financial measures used by management, as they provide relevant information in assessing Compass Group's performance, position and cash flows. Compass Group believes that these measures enable investors to more clearly track the core operational performance of Compass Group, by separating out items of income or expenditure relating to acquisitions, sale and closure of business, capital items and excluding currency translation effects, while providing investors with a clear basis for assessing Compass Group's ability to raise debt and invest in new business opportunities. Compass Group's management uses these financial measures, along with IFRS financial measures, in evaluating the operating performance of Compass Group as a whole and the individual business segments. Underlying and alternative performance measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with IFRS. The measures may not be directly comparable to similarly reported measures by other companies.

The alternative performance measures used are:

TAXATION

The tax laws of the investor's state and of the relevant Issuer's and/or the Guarantor's (if applicable) state of incorporation and / or tax residence might have an impact on the income received from the securities. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring, holding and disposing of Notes and receiving payments of interest, principal and/or other amounts under the Notes and the consequences of such actions under the tax laws of those countries

United Kingdom Taxation

A Introduction

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes and the Guarantee of the Notes. It is based on current law and the practice of Her Majesty's Revenue and Customs ("**HMRC**"), which may be subject to change, sometimes with retrospective effect. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes and Coupons and may not apply to certain classes of persons such as dealers or certain professional investors or persons connected with either of the Issuers and/or the Guarantor. They assume there will be no substitution of either of the Issuers and/or the Guarantor and do not consider the tax consequences of any such substitution.

Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes. The following is a general guide for information purposes and should be treated with appropriate caution. It is not intended as tax advice and it does not purport to describe all of the tax considerations that may be relevant to a prospective Noteholder. Noteholders who are in any doubt as to their tax position should consult their professional advisers. Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes or in respect of the Guarantee of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes and/or the Guarantee of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes and/or the Guarantee of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

B United Kingdom Withholding Tax on United Kingdom Source Interest

UK Notes listed on a recognised stock exchange

Any Notes which carry a right to interest which are considered to have a United Kingdom source ("**UK Notes**") will constitute "quoted Eurobonds" (within the meaning of section 987 of the Income Tax Act 2007 (the "**Act**")) provided they are and continue to be listed on a recognised stock exchange (within the meaning of section 1005 of the Act) or admitted to trading on a "multilateral trading facility" (within the meaning of section 987 of the Act). Whilst the UK Notes are and continue to be quoted Eurobonds, payments of interest on the UK Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

Securities will be "listed on a recognised stock exchange" for this purpose if they are admitted to trading on an exchange designated as a recognised stock exchange by an order made by the Commissioners for HMRC and either they are included in the United Kingdom official list (within the meaning of Part 6 of the Financial Services and Markets Act 2000) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

The London Stock Exchange is a recognised stock exchange, and accordingly the UK Notes will constitute quoted Eurobonds provided they are and continue to be included in the United Kingdom official list and admitted to trading on the Regulated Market of that exchange.

In all cases falling outside the exemption described above, interest on the Notes may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20 per cent) subject to such relief or exemption as may be available (for example, in respect of payments to Noteholders which the relevant Issuer reasonably believes either are a company resident in the United Kingdom, or are a company not resident in the United Kingdom carrying on a trade in the United Kingdom through a permanent establishment which brings into account the interest in computing its United Kingdom taxable profits, or fall within various categories enjoying a special tax status (including charities and pension funds), or are partnerships consisting of such persons (unless HMRC directs otherwise)). However, this withholding will not apply if the relevant interest is paid on Notes with a maturity date of less than one year from the date of issue and which are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

The above description of the United Kingdom withholding tax position assumes that there will be no substitution of an Issuer pursuant to Condition 17(c) of the Notes or otherwise and does not consider the tax consequences of any such substitution.

C Payments by Guarantor

If the Guarantor makes any payments in respect of interest on the Notes (or other amounts due under the Notes other than the repayment of amounts subscribed for the Notes) such payments may be subject to UK withholding tax at the basic rate (currently 20 per cent.), subject to such relief or exemption as may be available. Such payments by the Guarantor may not be eligible for any of the other exemptions described above.

D Other Rules Relating to United Kingdom Withholding Tax

1. Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.
2. The references to "interest" in A, B and C above mean "interest" as understood in United Kingdom tax law and in particular any premium element of the redemption amount of any Notes redeemable at a premium may constitute a payment of interest subject to the withholding tax provisions discussed above. In certain cases, the same could be true for amounts of discount where Notes are issued at a discount.
3. The statements in A, B and C above do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation.
4. Where a payment on a Note does not constitute (or is not treated as) interest for United Kingdom tax purposes, and the payment has a United Kingdom source, it would potentially be subject to United Kingdom withholding tax if, for example, it constitutes (or is treated as) an annual payment or a manufactured payment for United Kingdom tax purposes (which will be determined by, amongst other things, the terms and conditions specified by the Final Terms of the Note). In such a case, the payment may fall to be made under deduction of United Kingdom income tax (the rate of withholding depending on the nature of the payment), subject to such relief as may be available following a direction from HMRC pursuant to the provisions of any applicable double taxation treaty, or to any other exemption which may apply.

The Netherlands Taxation

A Introduction

The following is a summary of Dutch withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. It is based on the laws and practice in force as of the date of this Prospectus and is subject to any changes in law and the interpretation and application thereof, which changes could have retroactive effect. The following summary does not purport to be a comprehensive description of all the tax considerations that may be relevant to the Notes, and in particular, the comments do not deal with Netherlands tax aspects of acquiring, holding or disposing of Notes or Coupons, and do not purport to deal with the tax consequences applicable to all categories of investors, some of which may be subject to special rules.

Where the summary refers to "the Netherlands" or "Dutch" it refers only to the European part of the Kingdom of the Netherlands.

Investors should consult their professional advisers on the tax consequences of their acquiring, holding and disposing of Notes or Coupons.

B Withholding Tax

All payments of principal and interest by the Issuers under the Notes and all guarantee payments by the Guarantor under the Guarantee can be made without withholding or deduction of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

However, as of 1 January 2021 Dutch withholding tax may apply on certain (deemed) interest payments and guarantee payments (with respect to payments by Compass PLC to the extent such payments are attributable to a permanent establishment of it in the Netherlands) made to an entity affiliated (*gelieerd*) to Compass Group Finance B.V. or Compass PLC, as the case may be, if such entity (i) is considered to be resident (*gevestigd*) in a jurisdiction that is listed in the yearly updated Dutch Regulation on low-taxing states and non-cooperative jurisdictions for tax purposes (*Regeling laagbelastende staten en niet-coöperatieve rechtsgebieden voor belastingdoeleinden*), or (ii) has a permanent establishment located in such jurisdiction to which the interest is attributable, or (iii) is entitled to the interest payable for the main purpose or one of the main purposes to avoid taxation for another person, or (iv) is not considered to be the recipient of the interest in its jurisdiction of residence because such jurisdiction treats another (lower-tier) entity as the recipient of the interest (a hybrid mismatch), or (v) is not treated as resident anywhere (also a hybrid mismatch), all within the meaning of the Withholding Tax Act 2021 (*Wet bronbelasting 2021*).

FATCA

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a "**foreign financial institution**" may be required to withhold on certain payments it makes ("**foreign passthru payments**") to persons that fail to meet certain certification, reporting, or related requirements. A number of jurisdictions (including the United Kingdom and the Netherlands) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA ("**IGAs**"), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register would generally be "grandfathered" for purposes of FATCA withholding unless materially modified after such date (including by reason of a substitution of the Issuer). Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (other than Estonia, the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. Primary market transactions referred to in Article 5(c) of Regulation (EC) No 1287/2006 are expected to be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

Notes may be sold from time to time by the Issuers to Citigroup Global Markets Limited and Citigroup Global Markets Europe AG (as "**Permanent Dealers**" and together with any new dealers, the "**Dealers**"). The arrangements under which Notes may from time to time be agreed to be sold by the Issuers to, and purchased by, Dealers are set out in an amended and restated Dealer Agreement dated 25 August 2020 (as further amended or supplemented from time to time, the "**Dealer Agreement**") and made between the Issuers and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Notes, the price at which such Notes will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuers in respect of such purchase. The Dealer Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Notes.

United States of America: *Regulation S Category 2; TEFRA D or TEFRA C as specified in the relevant Final Terms or neither if TEFRA is specified as not applicable in the relevant Final Terms.*

The Notes have not been, and will not be, registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver Notes, (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes comprising the relevant Tranche, within the United States or to, or for the account or benefit of, U.S. persons and such Dealer will have sent to each dealer to which it sells Notes during the distribution compliance period relating thereto (as defined in Regulation S), a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering of Notes comprising any Tranche, any offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

Prohibition of Sales to EEA and UK Retail Investors

Unless the Final Terms (or Pricing Supplement, as the case may be) in respect of any Notes specifies the "Prohibition of Sales to EEA and UK Retail Investors" as "Not Applicable", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Prospectus as completed by the Final Terms (or Pricing Supplement, as the case may be) in relation thereto to any retail investor in the European Economic Area or the UK.

For the purposes of this provision, the expression "retail investor" means a person who is one (or more) of the following:

- (i) a retail client as defined in point (11) of MiFID II; or
- (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II.

If the Final Terms (or Pricing Supplement, as the case may be) in respect of any Notes specifies "Prohibition of Sales to EEA and UK Retail Investors" as "Not Applicable", each Dealer has represented and agreed in

relation to each Member State of the European Economic Area and the United Kingdom (each a "**Relevant State**") and each further Dealer appointed under the Programme will be required to represent and agree it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Prospectus as completed by the final terms in relation thereto or, in the case of Exempt Notes, as completed, amended and/or replaced by the Pricing Supplement in relation thereto (or are the subject of the offering contemplated by a Drawdown Prospectus, as the case may be) to the public in that Relevant State except that it may make an offer of such Notes to the public in that Relevant State:

- (a) *Qualified investors*: at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (b) *Fewer than 150 offerees*: at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer for any such offer; or
- (c) *Other exempt offers*: at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation.

provided that no such offer of Notes referred to in (a) to (c) above shall require the relevant Issuer, the Guarantor as the case may be, or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, the expression an "**offer of Notes to the public**" in relation to any Notes in any Relevant State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, and the expression "**Prospectus Regulation**" means Regulation (EU) 2017/1129.

Selling Restrictions Addressing Additional United Kingdom Securities Laws

Each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree that:

- (a) *No deposit-taking*: in relation to any Notes having a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold and will not offer or sell any Notes other than to persons:
 - (A) whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses; or
 - (B) who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses,

where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the relevant Issuer;

- (b) *Financial promotion*: it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantor, as the case may be; and
- (c) *General compliance*: it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Interests of natural and legal persons

- 12. Such investments and securities activities may involve securities and/or instruments of the Issuers or the Issuers' affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuers routinely hedge their credit exposure to the Issuers consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such short positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments. The relevant Final Terms will specify any other interests of natural and legal persons involved in each issue/offer of Notes under the Programme.
