SUSTAINABILITY DISCLOSURE TOPICS & ACCOUNTING METRICS		REFERENCE
Energy Management	(1) Total energy consumed, (2) percentage grid electricity, (3) percentage renewable	(1) Data Hub - Energy and Greenhouse Gas Emissions (2) Grid electricity represents 19% of our energy consumption (3) Renewable electricity represents 3% of our total energy consumption.
Water Management	(1) Total water withdrawn, (2) total water consumed, percentage of each in regions with High or Extremely High Baseline Water Stress	Compass Group does not currently collect this information with the level of detail set out in the standard. While we are not able to report this data globally, as a decentralised business action is being taken with clients.
Food & Packaging Waste Management	(1) Total amount of waste, (2) percentage food waste, and (3) percentage diverted	Compass Group does not currently collect this information with the level of detail set out in the standard. Compass Group is improving data collection to be able to report this information in the future. For further information on Food waste please see SR: Reducing Food Waste, p. 14; Reducing Food Waste
	(1) Total weight of packaging, (2) percentage made from recycled and/or renewable materials, and (3) percentage that is recyclable, reusable, and/or compostable	Compass Group does not currently collect this information with the level of detail set out in the standard. For further information on our packaging please see SR: Packaging & Plastics, p. 21; Reusable Solutions
Food Safety	(1) Percentage of restaurants inspected by a food safety oversight body, (2) percentage receiving critical violations	Metrics modified. Compass Group reports its Food Safety performance using different metrics in alignment with its global standards and to better reflect the impact of its global operations. Please see: Safety Culture, p. 10 Data Hub - Safety
	(1) Number of recalls issued and (2) total amount of food product recalled	Metrics modified. Compass Group reports its Food Safety performance using different metrics in alignment with its global standards and to better reflect the impact of its global operations. Please see: Safety Culture, p. 10 Data Hub - Safety
	Number of confirmed foodborne illness outbreaks, percentage resulting in U.S. Centers for Disease Control and Prevention (CDC) investigation	Metrics modified. Compass Group reports its Food Safety performance using different metrics in alignment with its global standards and to better reflect the impact of its global operations. Please see: Safety Culture, p. 10 Data Hub - Safety
Nutritional Content	(1) Percentage of meal options consistent with national dietary guidelines and (2) revenue from these options	(1) Metric modified. Compass Group is reporting the percentage of sites with at least one healthy meal choice. Please see Data Hub - Nutrition, Health & Wellbeing (2) Compass Group does not currently disclose this information
	(1) Percentage of children's meal options consistent with national dietary guidelines for children and (2) revenue from these options	(1) We comply with local law and regulation in countries of operations. In the USA, we are compliant with the USDA standards which are derived from the Dietary Guidelines for Americans for all the K-12 school meals served. (2) Compass Group does not collect this information.
	Number of advertising impressions made on children, percentage promoting products that meet national dietary guidelines for children	Metric not applicable to Compass Group
Labor Practices	(1) Voluntary and (2) involuntary turnover rate for restaurant employees	GRI table 401, Full data set unavailable. For further information on our turnover please see Data Hub - People Employee turnover in 2022 was 35%. Data refers to voluntary attrition only using a rolling 12 month average headcount.
	(1) Average hourly wage, by region and (2) percentage of restaurant employees earning minimum wage, by region	Compass Group deems this information to be commercially sensitive
	Total amount of monetary losses as a result of legal proceedings associated with (1) labor law violations and (2) employment discrimination	No material monetary losses to the group as a whole as a result of legal proceedings associated with labor law violations and employment discrimination recorded during the year. For further information on litigation, claims and other legal proceedings please see our AR: Contingent Liabilities, p.190
Supply Chain Management & Food Sourcing	Percentage of food purchased that (1) meets environmental and social sourcing standards and (2) is certified to third-party environmental and/or social standards	Performance & Reports
	Percentage of (1) eggs that originated from a cage-free environment and (2) pork that was produced without the use of gestation crates	1) Data Hub - Planet 2) Compass Group does not track those metrics as set out in the standard. Please see our Annual Report and website for more information.
	Discussion of strategy to manage environmental and social risks within the supply chain, including animal welfare	AR: Governance - Suppliers, p. 71 Responsible Sourcing Supply Chain Integrity Modern Slavery Statement
Activity Metrics	Number of (1) company-owned and (2) franchise restaurants	Compass Group does not track those metrics as set out in the standard. Please see our Annual Report for more information.
	Number of employees at (1) company-owned and (2) franchise locations	AR: Notes to the consolidated financial statement - 3 Employees, p. 148
