COMPASS GROUP PLC

PROPOSED SPECIAL DIVIDEND OF £1 BILLION AND SHARE CAPITAL CONSOLIDATION

- Special dividend of 61 pence per existing ordinary share of 10 5/8 pence each in the capital of Compass Group PLC ("Existing Ordinary Share") (the "Shareholder Return")
- Consolidation of every 26 Existing Ordinary Shares into 25 new ordinary shares of 11 1/20 pence each ("New Ordinary Shares") (the "Share Capital Consolidation")

Further to the announcement made on 10 May 2017 (the "Announcement"), Compass Group PLC ("Compass" or the "Company") is today posting a circular (the "Circular") regarding the proposed Shareholder Return and Share Capital Consolidation to Compass shareholders ("Shareholders"), including notice of a general meeting to be held at 10.30 a.m. on Wednesday 7 June 2017 (the "General Meeting").

The Company intends to return 61 pence per Existing Ordinary Share to Shareholders on the register of members as at 6.00 p.m. on 26 June 2017 (the "Record Time"), which amounts to approximately £1 billion in aggregate. The Shareholder Return is being structured as a special dividend with a share consolidation.

Key highlights of the proposed Shareholder Return

- All Shareholders at the Record Time will be entitled to receive 61 pence per Existing Ordinary Share by way of a special dividend;
- The Shareholder Return and Share Capital Consolidation are conditional upon Shareholder approval which will be sought at the General Meeting and upon Admission of the New Ordinary Shares to the Official List of the United Kingdom Listing Authority and to trading on the London Stock Exchange plc's main market for listed securities; and
- It is expected that payment of the special dividend will be made on Monday 17 July 2017.

Share Capital Consolidation

Alongside the Shareholder Return, the Company proposes a consolidation of its ordinary share capital in order to maintain the market price for Compass shares at approximately the same level as prevailed immediately prior to the implementation of the Shareholder Return (subject to normal market fluctuations). Accordingly, Shareholders will receive 25 New Ordinary Shares in substitution for every 26 Existing Ordinary Shares held at the Record Time. The effect of this Share Capital Consolidation will be to reduce the number

of Compass shares in issue to reflect the return of 61 pence per Existing Ordinary Share to Shareholders under the Shareholder Return. However, Shareholders will own the same proportion of the Company as they did beforehand, subject to fractional entitlements. Any fractional entitlements to New Ordinary Shares resulting from the Share Capital Consolidation will be aggregated and sold in the market, with the net proceeds of sale being distributed pro rata to relevant Shareholders.

The Circular containing the full terms and conditions of the Shareholder Return and the Share Capital Consolidation, and a notice convening the General Meeting, together with a Form of Proxy, will be posted to Shareholders later today. A copy of the Circular will be submitted to the National Storage Mechanism and will shortly be available for inspection at: <http://www.hemscott.com/nsm.do>.

Copies of the Circular will be available for inspection at the Company's registered office, Compass House, Guildford Street, Chertsey, KT16 9BQ, United Kingdom and at the offices of Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London, EC4Y 1HS. A copy of the Circular will also be available on the Company's website at www.compass-group.com.

Terms used in this announcement but which are otherwise undefined have the same meanings as set out in the Circular.

This summary should be read in conjunction with the full text of the Announcement, including the cautionary statements therein, and the Circular.

DETAILS OF THE PROPOSED SPECIAL DIVIDEND AND SHARE CAPITAL CONSOLIDATION

Shareholder Return

The Shareholder Return will involve the Company returning 61 pence per Existing Ordinary Share in the capital of the Company to Shareholders on the register of members as at 6.00 p.m. on 26 June 2017 (the "Record Time"), which amounts to approximately £1 billion in aggregate.

The Shareholder Return has been structured as a special dividend.

This structure has been chosen to complete the Shareholder Return because it treats all Shareholders equally regardless of the size of their existing shareholdings in the Company.

The Company's dividend reinvestment plan ("DRIP") will operate in relation to the Shareholder Return.

The Shareholder Return and Share Capital Consolidation is conditional upon Shareholder approval, which will be sought at a General Meeting to be held at 10.30 a.m. on Wednesday 7 June 2017 and upon Admission of the New Ordinary Shares to the Official List of the United Kingdom Listing Authority and to trading on the London Stock Exchange plc's main market for listed securities.

The Circular containing the full terms and conditions of the Shareholder Return, the Share Capital Consolidation and a notice convening the General Meeting, together with a Form of Proxy, will be posted to Shareholders today. The Circular will also be available on the Company's website at www.compass-group.com. A copy of the Circular will be submitted to the National Storage Mechanism and will shortly be available for inspection at: <http://www.morningstar.co.uk/uk/NSM>.

It is expected that the special dividend payment of 61 pence per Existing Ordinary Share will become payable on 17 July 2017.

Share Capital Consolidation

As mentioned above, the Shareholder Return is intended to result in the payment to Shareholders of approximately £1 billion in cash by the Company. It is anticipated that, there would, without a consolidation of the Company's ordinary share capital, be a decrease in the market price of the shares in the Company.

Accordingly, in order to maintain the market price for shares at approximately the same level as prevailed immediately prior to the implementation of the Shareholder Return (subject to normal market fluctuations), a consolidation of the Company's ordinary share capital is also proposed. As a result of the Share Capital Consolidation, Shareholders will hold 25 New Ordinary Shares in substitution for every 26 Existing Ordinary Shares held at the Record Time.

RECOMMENDATION TO SHAREHOLDERS

The Board, who have received financial advice from N M Rothschild & Sons Limited, consider that the Resolutions to be proposed at the General Meeting (as set out in the Notice of General Meeting in Part V of the Circular) which give effect to the Shareholder Return are in the best interests of the Shareholders of Compass Group PLC as a whole. In providing financial advice to the Board, Rothschild has relied upon the Board's commercial assessment of the Shareholder Return. Accordingly, the Board unanimously recommends that Shareholders vote in favour of all the Resolutions, as each Director intends to do in respect of their own beneficial holdings over which they have voting control in their personal capacity, amounting in aggregate to 1,613,462 Existing Ordinary Shares, representing approximately 0.0981 per cent of the total issued share capital of the Company (excluding treasury shares) as at Friday 12 May 2017 (being the last practicable date prior to the publication of the Circular).
