EXPLANATORY NOTES TO THE RESOLUTIONS

RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS
The directors are required to present to the Annual General Meeting (AGM) (the Meeting) the audited accounts and the Directors’ and Auditor’s Reports for the financial year ended 30 September 2014.

RESOLUTION 2 – REMUNERATION POLICY
Shareholders are requested to approve the Remuneration Policy. The Remuneration Policy is set out on pages 62 to 68 of the Directors’ Remuneration Report contained within the 2014 Annual Report and Accounts.

In accordance with section 439A of the Companies Act (the CA 2006), a separate Resolution on the Remuneration Policy part of the Directors' Remuneration Report is required to be put to a vote by shareholders. The vote is binding which means that payments cannot be made under the Policy until it has been approved by shareholders. The Policy Report must be put to shareholders at least every three years, unless during that time it is to be changed. The Company currently intends to submit the Policy for approval by shareholders every three years.

RESOLUTION 3 – DIRECTORS’ REMUNERATION REPORT
In accordance with section 159 of the CA 2006, shareholders are requested to approve the Directors’ Remuneration Report. The Directors’ Remuneration Report is set out on pages 59 to 76 of the 2014 Annual Report and Accounts. The vote is advisory.

RESOLUTION 4 – FINAL DIVIDEND
The final dividend for the year ended 30 September 2014 will be paid on 23 February 2015 to shareholders on the register at the close of business on 23 January 2015, subject to shareholder approval.

RESOLUTIONS 5 TO 14 – ELECTION AND RE-ELECTION OF DIRECTORS
Biographical details of all the directors standing for election or re-election appear on pages 46 and 47 of the 2014 Annual Report.

In line with the provisions of the Company’s Articles of Association, Carol Arrowsmith, who was appointed by the Board since the date of the last AGM, will submit herself for election by shareholders. Details of Mrs Arrowsmith’s appointment are given on page 50.

The Company’s Articles of Association require one third of the directors to retire by rotation each year and no director may serve for more than three years without being re-elected by shareholders. However, in accordance with the UK Corporate Governance Code (the Code), all the directors will submit themselves for annual re-election by shareholders. Having conducted an evaluation during the year, it is the view of the Chairman that the performance of each of the directors continues to be effective and that each director demonstrates commitment to the role and has sufficient time to meet his or her commitment to the Company.

RESOLUTIONS 15 AND 16 – AUDITOR
During the year, following a competitive tender process, the Audit Committee recommended to the Board that KPMG LLP be appointed as the external auditor and to fill the casual vacancy in the office of auditor. The auditor is appointed at every general meeting at which the auditors are presented to shareholders. The current appointment of KPMG LLP as the Company’s auditor will end at the conclusion of the AGM and it has advised of its willingness to stand for reappointment. It is normal practice for a company’s directors to be authorised to agree how much the auditor should be paid and Resolution 16 grants this authority to the directors.
NOTICE OF ANNUAL GENERAL MEETING

RESOLUTION 17 – DONATIONS TO POLITICAL PARTIES
It is not Group policy to make donations to political parties. However, it is possible that certain routine activities undertaken by the Company and its subsidiaries might unintentionally fall within the wide definition of matters constituting political donations and expenditure in the CA 2006. Any expenditure that is regulated under the CA 2006 must first be approved by shareholders and will be disclosed in next year’s Annual Report. This Resolution, if passed, will renew the directors’ authority under the AGM to be held in 2016 (when the directors intend to renew this authority) to make donations and incur expenditure which might otherwise be caught by the terms of the CA 2006, up to an aggregate amount of £100,000 for the Company and for subsidiary companies.

RESOLUTION 18 – AMENDMENT TO LONG TERM INCENTIVE PLAN
This Resolution seeks approval for the following changes to the Compass Group PLC Long Term Incentive Plan 2010 (LTIP) to reflect the Directors’ Remuneration Policy as set out in the Directors’ Remuneration Report (see Resolution 2 above):

- To increase the individual limit for the market value of shares subject to awards which can be granted to executive directors in a financial year from 200% to a maximum of 400% of annual basic salary (the latter multiplier to be used only in exceptional circumstances) with the normal percentage being 250% of annual basic salary in the case of the Group Chief Executive and 200% for the other executive directors;
- To renew and extend the circumstances in which malus or clawback can be applied to awards made under the LTIP so that the provisions apply both before an award vests and for the three years after vesting and apply in various circumstances, such as serious misconduct of a participant, including where the facts arise after termination of employment, with the intention that the remedies are widened to include lapsing awards which have not vested and forfeiting of vested awards with the right to reclaim amounts from the affected participant;
- To permit awards to be made which increase in line with dividends paid by the Company on its ordinary shares;
- To clarify the rules in respect of the use of existing rather than new issue shares to satisfy awards; and
- To enable the Remuneration Committee to impose a holding period requirement of up to five years on participants whose awards have vested, subject to the realisation of vested awards to discharge tax and social security requirements.

The rules of the LTIP showing the proposed amendments are available for inspection before and during the AGM, as noted on page 146 of this Notice of Meeting.

RESOLUTION 19 – DIRECTORS’ AUTHORITY TO ALLOT SHARES
The purpose of Resolution 19 is to renew the directors’ power to allot shares. Resolution 19.1 seeks to grant the directors authority to allot, pursuant to Article 12 of the Company’s Articles of Association and section 551 of the CA 2006, relevant securities with a maximum nominal amount of £39,128,125. This represents 556,500,000 ordinary shares of 10½ pence each in the capital of the Company, which is approximately one third of the Company’s issued ordinary share capital as at 1 December 2014 (being the last practicable date prior to the publication of this Notice). The Company does not currently hold any shares as treasury shares. The authority would, unless previously renewed, revoked or varied by shareholders, remain in force up to the conclusion of the AGM of the Company to be held in 2016, or 4 May 2016, whichever is earlier.

In accordance with the Investment Management Association Allotment Guidelines (the Guidelines), Resolution 19.2 seeks to grant the directors authority to allot approximately a further one third of the Company’s issued ordinary share capital in connection with a rights issue in favour of ordinary shareholders with a nominal value of up to £59,128,125 (representing 556,500,000 ordinary shares of 10½ pence each). Such additional authority will be valid until the conclusion of the 2016 AGM. If the Company uses any of the additional one third authority permitted by the Guidelines, the Company will ensure that all directors stand for re-election. The Company’s current practice is that all directors submit themselves for re-election each year in accordance with the Code, notwithstanding the provisions set out in the Guidelines.

The total authorisation sought by Resolution 19 is equal to approximately two thirds of the issued ordinary share capital of the Company as at 1 December 2014, being the last practicable date prior to publication of this Notice.

Resolutions 1 to 19 will be proposed as ordinary resolutions and require that more than half of the votes cast must be in favour of a resolution for it to be passed.

RESOLUTION 20 – DISAPPLICATION OF PRE-EMPTION RIGHTS
If the Company issues new shares, or sells treasury shares, for cash (other than in connection with an employee share scheme), it must first offer them to existing shareholders in proportion to their existing holdings. In accordance with investor guidelines, approval is sought by the directors to issue a limited number of ordinary shares for cash without offering them to existing shareholders.

Resolution 20 seeks to renew the directors’ authority to issue equity securities of the Company for cash without application of pre-emption rights pursuant to Article 13 of the Company’s Articles of Association and section 561 of the CA 2006. Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution would be limited to a maximum nominal amount of £8,868,688.

This represents 83,470,000 ordinary shares of 10½ pence each in the capital of the Company, which is approximately 5% of the Company’s issued ordinary share capital as at 1 December 2014 (being the last practicable date prior to the publication of this Notice). The authority, unless previously renewed, revoked or varied by shareholders, expire at the conclusion of the AGM of the Company to be held in 2016 or on 4 May 2016, if earlier.

Save for issues of shares in respect of various employee share schemes and any share dividend alternatives, the directors have no current plans to utilise either of the authorities sought by Resolutions 19 and 20, although they consider their renewal appropriate in order to retain maximum flexibility to take advantage of business opportunities as they arise. In addition, and in line with best practice, the Company has not issued more than 7.5% of its issued share capital on a non-pro rata basis over the last three years and the Board confirms its intention to follow best practice set out in the Pre-emption Group’s Statement of Principles which provides that usage of this authority in excess of 7.5% of the Company’s issued share capital in a rolling three year period would not take place without prior consultation with shareholders.

RESOLUTION 21 – PURCHASE OF OWN SHARES
This Resolution authorises the directors to make limited on market purchases of the Company’s ordinary shares. The power is limited to a maximum of 166,950,000 shares (just under 10% of the issued ordinary share capital as at 1 December 2014, being the last practicable date prior to the publication of this Notice) and details the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company’s next AGM or 18 months from the passing of this Resolution, whichever is the earlier.
The CA 2006 permits the Company to hold shares repurchased as treasury shares. Treasury shares may be cancelled, sold for cash or used for the purpose of employee share schemes. The authority to be sought by this Resolution is intended to apply equally to shares to be held by the Company as treasury shares. No dividends will be paid on shares which are held as treasury shares and no voting rights will be attached to them. Shares held as treasury shares will be treated as if cancelled.

On 27 November 2013, the Company announced its intention to commence a £500 million share repurchase programme, to be executed over the 12 month period to the end of 2014. The programme was temporarily suspended following announcement on 14 May 2014 of the £1 billion Return of Cash to shareholders and associated Share Capital Consolidation until after completion of this transaction on 29 July 2014. The £500 million share repurchase programme recommenced on 31 July 2014 and is now expected to be completed during 2015.

Beyond this programme, the directors have no present intention of exercising the authority to purchase the Company’s ordinary shares but they consider it desirable to provide maximum flexibility in the management of the Company’s capital resources. The directors would only purchase shares if, in their opinion, the expected effect would be to result in an increase in earnings per share and would benefit shareholders generally.

As at 1 December 2014 (being the last practicable date prior to the publication of this Notice), there were options to subscribe for ordinary shares issued by the Company outstanding over approximately 19,724,400 shares which represent 1.18% of the Company’s issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company’s ordinary shares was exercised in full, these options would represent 1.31% of the Company’s issued ordinary share capital (excluding treasury shares).

**RESOLUTION 22 – NOTICE OF MEETINGS OTHER THAN ANNUAL GENERAL MEETINGS**

The Company’s Articles of Association allow the directors to call general meetings other than annual general meetings on 14 working days’ notice. However, under the Companies (Shareholders’ Rights) Regulations 2009 (the Regulations), all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the Regulations. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than AGMs, on 14 working days’ notice, such authority to be effective until the Company’s next AGM, when a similar resolution will be proposed. The directors confirm that the shorter notice period would not be used as a matter of routine, but only where flexibility is merited by the business of the meeting and it is thought to be to the advantage of shareholders as a whole. An electronic voting facility will be made available to all shareholders for any meeting held on such notice.

**RECOMMENDATION**

The directors consider that each of the Resolutions is in the best interests of the Company and the shareholders as a whole and, accordingly, recommend that all shareholders vote in favour of all Resolutions, as the directors intend to do in respect of their own holdings.

**IMPORTANT INFORMATION**

**PROXIES**

(i) A shareholder entitled to attend and vote at the AGM may appoint a proxy or proxies (who need not be a shareholder of the Company) to exercise all or any of his or her rights to attend, speak and vote at the AGM. QUESTIONS
All shareholders or their proxies will have the opportunity to ask questions at the AGM. The Chairman may also nominate a representative to answer a specific question after the Meeting or refer the questioner to the Company’s website.

VOTING AT THE AGM
The Company proposes that all Resolutions to be proposed at the AGM will be put to the vote on a poll. This will result in a more accurate reflection of the views of all of the Company’s shareholders by ensuring that every vote is recognised, including the votes of shareholders who are unable to attend the Meeting but who have appointed a proxy for the Meeting. On a poll, each shareholder has one vote for each share held.

After each Resolution is put to the Meeting, you will be asked to cast your vote. All of the votes of the shareholders present will be counted, and added to those received by proxy, and the provisional final votes will be displayed at the Meeting.

The voting results, which will include all votes cast for and against each Resolution at the Meeting, and all proxies lodged prior to the Meeting, will be announced at the Meeting and published on the Company’s website as soon as practicable after the Meeting. The Company will also disclose the number of votes withheld.

If you have already voted by proxy, you will still be able to vote at the Meeting and your vote on the day will replace your previously lodged proxy vote.

Whomever you appoint as a proxy can vote or abstain from voting as he or she decides on any other business, which may validly come before the AGM. This includes proxies appointed using the CREST service. Details of how to complete the appointment of a proxy either electronically or on paper are given in the notes to this Notice.
