SPECIAL RESOLUTIONS
Disapplication of pre-emption rights
20. To authorise the directors, subject to the passing of Resolution 19 and in accordance with the power conferred on the directors by article 13 of the Company’s articles of association, to allot equity securities (as defined in the Companies Act 2006) for cash under the authority given by that Resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at close of business on 5 May 2021, but in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

21.1 limited to the allotment of equity shares or sale of treasury shares up to a nominal amount of £8,764,971 being not more than 5% of the issued ordinary share capital (excluding treasury shares) of the Company as at 25 November 2019, being the last practicable date prior to the publication of this Notice;

such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at close of business on 5 May 2021; and for that period the section 551 amount shall be £58,432,400.

EXPLANATORY NOTES TO THE RESOLUTIONS
RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS
The directors are required to present to the AGM the audited Accounts and the Directors’ and Auditor’s Reports for the financial year ended 30 September 2019.

RESOLUTION 2 – DIRECTORS’ REMUNERATION REPORT
In accordance with section 439 of the Companies Act 2006 (CA 2006), shareholders are requested to approve the Directors’ Remuneration Report. The Directors’ Remuneration Report is set out on pages 98–121 of the 2019 Annual Report and Accounts. The vote is advisory.

RESOLUTION 3 – FINAL DIVIDEND
The final dividend for the year ended 30 September 2019 will be paid on 24 February 2020 to shareholders on the register at the close of business on 17 January 2020, subject to shareholder approval.

RESOLUTIONS 4 TO 14 – ELECTION AND RE-ELECTION OF DIRECTORS
Biographical details of all the directors standing for election and re-election appear on pages 70 and 71 of the 2019 Annual Report.

The Company’s articles of association require one third of the directors to retire by rotation each year and no director may serve for more than three years without being re-elected by shareholders. However, in accordance with the UK Corporate Governance Code 2016 (the Code), all the directors will submit themselves for annual re-election by shareholders.

Having conducted an evaluation during the year, it is the view of the Chairman that the performance of each of the directors continues to be effective and each director demonstrates commitment to the role and has sufficient time to meet his or her commitment to the Company.

RESOLUTIONS 15 AND 16 – EXTERNAL AUDITOR’S REAPPOINTMENT AND REMUNERATION
The auditor is appointed at every general meeting at which accounts are presented to shareholders. The current appointment of KPMG LLP as the Company’s auditor will end at the conclusion of the AGM and it has advised of its willingness to stand for reappointment. In accordance with provisions of the Code, it is best recommended practice for the Audit Committee to be authorised to agree how much the auditor should be paid and Resolution 16 grants this authority to the Audit Committee.
RESOLUTION 17 – POLITICAL DONATIONS
It is not Group policy to make donations to political parties. However, it is possible that certain routine activities undertaken by the Company and its subsidiaries might unintentionally fall within the wide definition of matters constituting political donations and expenditure in the CA 2006. Any expenditure that is regulated under the CA 2006 must first be approved by shareholders and will be disclosed in next year’s Annual Report. This Resolution, if passed, will renew the directors’ authority until the AGM to be held in 2021 (2021 AGM) (when the directors intend to renew this authority) to make donations and incur expenditure which might otherwise be caught by the terms of the CA 2006, up to an aggregate amount of £100,000 for the Company and for subsidiary companies.

RESOLUTION 18 – PAYMENT OF FEES TO NON-EXECUTIVE DIRECTORS
At our 2019 AGM, we received shareholder approval to pay the full fee to each non-executive director in respect of each non-executive role they perform for the Company without regard to the annual cap of £125,000 as set out in the Company’s Remuneration Policy. The Company has reviewed this element of how we operate our Remuneration Policy following changes to the remuneration policy and reporting requirements which came into force on 10 June 2019. As a result of that review, the Company concluded that it would be more appropriate to set the cap on directors’ fees by reference to the aggregate cap in the Company’s articles of association which was approved by shareholders in 2017 of £2,250,000.

This allows the Company to allocate appropriately compensated duties to individual directors as required whilst retaining current limits on the total non-executive director fees payable.

RESOLUTION 19 – DIRECTORS’ AUTHORITY TO ALLOT SHARES
The purpose of Resolution 19 is to renew the directors’ power to allot shares. Resolution 19.1 seeks to grant the directors authority to allot, pursuant to article 12 of the Company’s articles of association and section 551 of the CA 2006, relevant securities with a maximum nominal amount of £58,432,400. This represents 528,800,000 ordinary shares of 11 7/20 pence each in the capital of the Company, which is approximately one third of the Company’s issued ordinary share capital (excluding treasury shares) as at 25 November 2019 (being the last practicable date prior to the publication of this Notice). The Company currently holds 3,301,961 shares in treasury. The authority would, unless previously renewed, revoked or varied by shareholders, remain in force up to the conclusion of the 2021 AGM of the Company or close of business on 5 May 2021, whichever is earlier.

In accordance with the Investment Association Share Capital Management Guidelines (the Guidelines), Resolution 19.2 seeks to grant the directors authority to allot approximately a further one third of the Company’s issued ordinary share capital (excluding treasury shares) in connection with a rights issue in favour of ordinary shareholders with a nominal value of up to £58,432,400 (representing 528,800,000 ordinary shares of 11 7/20 pence each). Such additional authority will be valid until the conclusion of the 2021 AGM.

If the Company uses any of the additional one third authority permitted by the Guidelines, the Company will ensure that all directors stand for re-election. The Company’s current practice is that all directors submit themselves for re-election each year in accordance with the Code, notwithstanding the provisions set out in the Guidelines.

The total authorisation sought by Resolution 19 is equal to approximately two thirds of the issued ordinary share capital of the Company (excluding treasury shares) as at 25 November 2019, being the last practicable date prior to publication of this Notice.

Resolutions 1 to 19 will be proposed as ordinary resolutions and require that more than half of the votes cast be in favour of a resolution for it to be passed.
RESOLUTIONS 20 AND 21 – DISAPPLICATION OF PRE-EMPTION RIGHTS

If the Company issues new shares, or sells treasury shares, for cash (other than in connection with an employee share scheme), it must first offer them to existing shareholders in proportion to their existing holdings. In accordance with investor guidelines, approval is sought by the directors to issue a limited number of ordinary shares for cash without offering them to existing shareholders.

The Pre-Emption Group (which represents the Investment Association and the Pension and Lifetime Savings Association) published a revised statement of principles for the disapplication of pre-emption rights (the Principles) in 2015. The Principles provide that a general authority for the disapplication of pre-emption rights over approximately 5% of the Company’s issued ordinary share capital should be treated as routine. This general authority, which the directors have sought and received in previous years, is dealt with under Resolution 20.

Subject to the passing of Resolution 19, Resolution 20 seeks to replace the authority conferred on the directors at the 7 February 2019 Annual General Meeting (2019 AGM) to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company’s issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to article 13 of the Company’s articles of association and section 561 of the CA 2006. Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution 20 would be limited to a maximum nominal amount of £8,764,971.

The Pre-Emption Group further provides that the Company may, as routine, seek to disapply pre-emption rights over the equivalent of approximately an additional 5% of the issued ordinary share capital of the Company, so long as certain criteria are met.

Subject to the passing of Resolution 19 and in addition to the authority granted by Resolution 20, Resolution 21 seeks to replace the authority conferred on the directors at the 2019 AGM to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company’s issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to article 13 of the Company’s articles of association and section 561 of the CA 2006, provided that this authority will only be used for the purpose of:

(i) an acquisition; or
(ii) a specified capital investment in respect of which sufficient information regarding the effect of the investment on the Company, the assets that are the subject of the investment and (where appropriate) the profits attributable to those assets is made available to shareholders to enable them to reach an assessment of the potential return on the investment which is announced contemporaneously with the issue or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution 21 would be limited to a maximum nominal amount of £8,764,971.

Together, Resolutions 20 and 21 represent 158,642,000 ordinary shares of 11½pence each in the capital of the Company, which is approximately 10% of the Company’s issued ordinary share capital (excluding treasury shares) as at 25 November 2019 (being the last practicable date prior to the publication of this Notice). The authority would, unless previously renewed, revoked or varied by shareholders, expire at the conclusion of the AGM of the Company to be held in 2021 or close of business on 5 May 2021, if earlier.
Save for issues of shares in respect of various employee share schemes and any share dividend alternatives, the directors have no current plans to utilise the authorities sought by Resolutions 19, 20 and 21, although they consider their renewal appropriate in order to retain maximum flexibility to take advantage of business opportunities as they arise. In addition, and in line with best practice, the Company has not issued more than 7.5% of its issued share capital on a non-pro rata basis over the last three years. The limit also applies to shares issued from treasury. A renewal of this authority will be proposed at each subsequent AGM and the directors confirm their intention to follow best practice set out in the Principles which provides that usage of this authority in excess of 7.5% of the Company’s issued share capital in a rolling three year period would not take place without prior consultation with shareholders.

**RESOLUTION 22 – PURCHASE OF OWN SHARES**

This Resolution authorises the directors to make limited on market purchases of the Company’s ordinary shares. The power is limited to a maximum of 158,642,000 shares (just under 10% of the issued ordinary share capital as at 25 November 2019, being the last practicable date prior to the publication of this Notice) and details the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company’s next AGM or 18 months from the passing of this Resolution, whichever is the earlier.

The CA 2006 permits the Company to hold shares repurchased as treasury shares. Treasury shares may be cancelled, sold for cash or used for the purpose of satisfying the Company’s obligations in connection with employee equity incentive schemes. The authority to be sought by this Resolution is intended to apply equally to shares to be held by the Company as treasury shares. No dividends will be paid on shares which are held as treasury shares and no voting rights will be attached to them. Shares held as treasury shares will normally be used to satisfy the Company’s obligations under the Company’s employee equity incentive schemes.

No share repurchases were made during the financial year ended 30 September 2019 or to the date of this Notice. However, the directors consider it desirable for such general authority to be available in order to maintain an efficient capital structure whilst at the same time retaining the flexibility to fund any bolt-on acquisitions.

As at 25 November 2019 (being the last practicable date prior to the publication of this Notice), there were 1,589,736,625 11\(\frac{3}{20}\) pence ordinary shares in issue and 3,301,961 11\(\frac{3}{20}\) pence ordinary shares held in treasury for the purpose of satisfying the Company’s obligations under employee equity incentive schemes. These treasury shares represent 0.20% of the Company’s issued ordinary share capital. Shares held in treasury are not eligible to participate in dividends and do not carry any voting rights.

As at 25 November 2019 (being the last practicable date prior to the publication of this Notice), there were options to subscribe for ordinary shares issued by the Company outstanding over approximately 6,877,673 shares, which represent 0.43% of the Company’s issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company’s ordinary shares was exercised in full, these options would represent 0.48% of the Company’s issued ordinary share capital (excluding treasury shares).

**RESOLUTION 23 – NOTICE OF MEETINGS OTHER THAN ANNUAL GENERAL MEETINGS**

The Company’s articles of association allow the directors to call general meetings, other than AGMs, on 14 clear working days’ notice. However, under Section 307A of the CA 2006, all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the CA 2006. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than AGMs, on 14 clear working days’ notice. However, under Section 307A of the CA 2006, all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the CA 2006. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than AGMs, on 14 clear working days’ notice. However, Section 307A of the CA 2006 states that all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the CA 2006. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than AGMs, on 14 clear working days’ notice. However, Section 307A of the CA 2006 states that all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the CA 2006. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than AGMs, on 14 clear working days’ notice.

Resolutions 20 to 23 will be proposed as special resolutions and require that at least three quarters of the votes cast must be in favour of a resolution for it to be passed.
RECOMMENDATION
The directors consider that each of the Resolutions is in the best interests of the Company and the shareholders as a whole and, accordingly, recommend that all shareholders vote in favour of all Resolutions, as the directors intend to do in respect of their own holdings.

The following information is available on the Company’s website www.compass-group.com:

(i) the matters set out in this Notice of Meeting
(ii) the total voting rights and number of shares of each class in respect of which shareholders are entitled to exercise voting rights at the AGM
(iii) shareholders’ rights to include business to be dealt with at the AGM
(iv) shareholders’ statements, resolutions and matters of business received by the Company after 16 December 2019

ATTENDING THE AGM
If you are coming to the AGM, please bring the Notification Letter dated 16 December 2019 with you. It authenticates your right to attend, speak and vote at the AGM and will speed your admission. You may also find it useful to bring this Notice of AGM and the Annual Report 2019 so that you can refer to them at the Meeting. All joint shareholders may attend and speak at the AGM. However, only one shareholder is entitled to vote. In the case of joint holders of a share, the vote of the senior who tenders the vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which the names of the holders stand in the register.

At the discretion of the Company, and subject to sufficient seating capacity, a shareholder may enter with one guest, provided that the shareholder and their guest register to enter the AGM at the same time.

THE AGM
The doors of the Live Room at Twickenham RFU Stadium will open at 9.00am and the AGM will start promptly at 10.30am. Please see the map on page 245 for the location of Twickenham RFU Stadium. Car parking is available for shareholders as indicated on the map. For more information on how to get to the venue, go to http://www.englandrugby.com/twickenham/visiting-the-stadium/getting-here.

QUESTIONS
All shareholders or their proxies will have the opportunity to ask questions at the AGM. When invited by the Chairman, if you wish to ask a question, please wait for a Company representative to bring you a microphone. It would be helpful if you could state your name before you ask your question. A question may not be answered at the Meeting if it is not considered to be in the interests of the Company or the good order of the Meeting or if it would involve the disclosure of sensitive information. The Chairman may also nominate a representative to answer a specific question after the Meeting or refer the questioner to the Company’s website.
VOTING AT THE AGM
The Company confirms that all Resolutions to be proposed at the AGM will be put to the vote on a poll. This will result in a more accurate reflection of the views of all of the Company’s shareholders by ensuring that every vote is recognised, including the votes of shareholders who are unable to attend the Meeting but who have appointed a proxy for the Meeting. On a poll, each shareholder has one vote for each share held.

All of the votes of the shareholders present will be counted, and added to those received by proxy, and the provisional final votes will be displayed at the Meeting.

The indicative voting results, which will include all votes cast for and against each Resolution at the Meeting, and all proxies lodged prior to the Meeting, will be displayed at the Meeting and the final results published on the Company’s website, the London Stock Exchange and on the document storage system, Morningstar, as soon as practicable after the Meeting. The Company will also disclose the number of votes withheld.

If you have already voted by proxy, you will still be able to vote at the Meeting and your vote on the day will replace your previously lodged proxy vote.

Whomever you appoint as a proxy can vote or abstain from voting as he or she decides on any other business which may validly come before the AGM. This includes proxies appointed using the CREST service. Details of how to complete the appointment of a proxy either electronically or on paper are given in the notes to this Notice.
