19. To authorise the directors, subject to the passing of Resolution 18, and in accordance with the power conferred on the directors by Article 13 of the Company's Articles of Association, to allot equity securities (as defined in the Companies Act 2006) for cash under the authority given by that Resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be limited:

such authority to expire at the end of the next Annual General Meeting of the Company, or, if earlier, at the close of business on 6 May 2020, but in each case, prior to the expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

20. To authorise the directors subject to the passing of Resolution 18 and in accordance with the power conferred on the directors by Article 13 of the Company's Articles of Association and in addition to any authority granted under Resolution 19 to allot equity securities (as defined in the Companies Act 2006) for cash under the authority given by that Resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be:

such authority to expire at the end of the next Annual General Meeting of the Company or, if earlier, at close of business on 6 May 2020, but in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

21. To generally and unconditionally authorise the Company, pursuant to and in accordance with section 701 of the Companies Act 2006, to make market purchases (within the meaning of section 693(4) of that Act) of ordinary shares of

- 21.1 the maximum aggregate number of ordinary shares hereby authorised to be purchased is 158,500,000;

- 21.4 this authority shall expire, unless previously renewed, varied or revoked by the Company, at the conclusion of the next Annual General Meeting of the Company or close of business on 6 August 2020, whichever is the earlier (except in relation to the purchase of ordinary shares, the contract for which was concluded prior to the expiry of this authority and which will or may be executed wholly or partly after the expiry of this authority).

22. To authorise the directors to call a general meeting of the Company, other than an Annual General Meeting, on not less than 14 clear working days' notice, provided that this authority shall expire at the conclusion of the next Annual General Meeting of the Company after the date of the passing of this Resolution.

## **EXPLANATORY NOTES TO THE RESOLUTIONS**

### **RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS**

The directors are required to present to the AGM the audited Accounts and the Directors' and Auditor's Reports for the financial year ended 30 September 2018.

### **RESOLUTION 2 – DIRECTORS' REMUNERATION REPORT**

In accordance with section 439 of the Companies Act 2006 (CA 2006), shareholders are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report is set out on pages 71 to 93 of the 2018 Annual Report and Accounts. The vote is advisory.

### **RESOLUTION 3 – FINAL DIVIDEND**

The final dividend for the year ended 30 September 2018 will be paid on 25 February 2019 to shareholders on the register at the close of business on 18 January 2019, subject to shareholder approval.

### **RESOLUTIONS 4 TO 13 – ELECTION AND RE-ELECTION OF DIRECTORS**

Biographical details of all the directors standing for election and re-election appear on pages 49 to 51 of the 2018 Annual Report.

The Company's Articles of Association require one third of the directors to retire by rotation each year and no director may serve for more than three years without being re-elected by shareholders. However, in accordance with the UK Corporate Governance Code 2016 (the Code), all the directors will submit themselves for annual re-election by shareholders.

Having conducted an evaluation during the year, it is the view of the Chairman that the performance of each of the directors continues to be effective and that each director demonstrates commitment to the role and has sufficient time to meet his or her commitment to the Company.

### **RESOLUTIONS 14 AND 15 – AUDITOR**

The auditor is appointed at every general meeting at which accounts are presented to shareholders. The current appointment of KPMG LLP as the Company's auditor will end at the conclusion of the AGM and it has advised of its willingness to stand for reappointment. In accordance with provisions of the Code, it is best recommended practice for the Audit Committee to be authorised to agree how much the auditor should be paid and Resolution 15 grants this authority to the Audit Committee.

### **RESOLUTION 16 – DONATIONS TO POLITICAL PARTIES**

It is not Group policy to make donations to political parties. However, it is possible that certain routine activities undertaken by the Company and its subsidiaries might unintentionally fall within the wide definition of matters constituting political donations and expenditure in the CA 2006. Any expenditure that is regulated under the CA 2006 must first be approved by shareholders and will be disclosed in next year's Annual Report. This Resolution, if passed, will renew the directors' authority until the AGM to be held in 2020 (2020 AGM) (when the directors intend to renew this authority) to

make donations and incur expenditure which might otherwise be caught by the terms of the CA 2006, up to an aggregate amount of £100,000 for the Company and for subsidiary companies.

### **RESOLUTION 17 – PAYMENT OF FEES TO NON-EXECUTIVE DIRECTORS**

The Company is seeking shareholder approval to pay each of its non-executive directors the full fee payable to them in respect of each non-executive role they perform for the Company.

### **MEMORANDUM**

#### **(AS REQUIRED BY S226D CA 2006)**

The Company's current directors' Remuneration Policy, approved by shareholders at the Company's Annual General Meeting on 8 February 2018, imposes an annual cap of £125,000 on the fees payable to any non-executive director.

The Remuneration Policy permits non-executive directors to be paid separate fees for different non-executive roles they perform for the Company. These currently comprise an annual base fee for serving as non-executive director (currently £86,000); an additional annual fee for serving as chairman of the Audit, Corporate Responsibility and Remuneration Committees (currently £30,000); and an additional annual fee (currently £30,000) for serving as Senior Independent Director. Under the Remuneration Policy, the aggregate fees payable to a non-executive director who performs several such non-executive roles simultaneously are subject to the £125,000 cap.

The effect of the cap is that non-executive directors may not be entitled to receive the full fee otherwise payable for each role they perform. The Company is of the view that non-executive directors should be appropriately and fairly remunerated for the roles they perform. The Company is therefore now proposing that it should be permitted to pay each non-executive director the full fee payable for each non-executive role he or she performs for the Company, without reference to the £125,000 annual cap. No other changes are proposed to the Company's overall approach to payment of fees to non-executive directors, as set out in the shareholder approved Remuneration Policy.

As the payment of fees without reference to the annual fee cap for non-executive directors would be outside the current Remuneration Policy, it requires approval by shareholders in a general meeting under Section 226B(1)(b) of the CA 2006.

This Memorandum comprises the payment particulars memorandum in respect of the approval of payment to non-executive directors that is required to be made available for inspection by shareholders in accordance with Section 226D of the CA 2006. It will therefore be available for inspection during normal business hours from the date of dispatch of this Notice until the date of the AGM (Saturdays, Sundays and public holidays excepted) at the registered office of the Company, Compass House, Guildford Street, Chertsey, Surrey KT16 9BQ and will also be made available at the AGM for a period of 15 minutes prior to and during the continuance of the AGM. This Memorandum shall also be available for inspection on the Company's website from the date of this Notice until the conclusion of the AGM.

## **RESOLUTION 18 – DIRECTORS' AUTHORITY TO ALLOT SHARES**

The purpose of Resolution 18 is to renew the directors' power to allot shares. Resolution 18.1 seeks to grant the directors authority to allot, pursuant to Article 12 of the Company's Articles of Association and section 551 of the CA 2006, relevant securities with a maximum nominal amount of £58,410,300. This represents 528,600,000 ordinary shares of 11 $\frac{1}{20}$  pence each in the capital of the Company, which is approximately one third of the Company's issued ordinary share capital (excluding treasury shares) as at 1 December 2018 (being the last practicable date prior to the publication of this Notice). The Company currently holds 3,837,253 shares in treasury. The authority would, unless previously renewed, revoked or varied by shareholders, remain in force up to the conclusion of the 2020 AGM of the Company or close of business on 6 May 2020, whichever is earlier.

In accordance with the Investment Association Share Capital Management Guidelines (the Guidelines), Resolution 18.2 seeks to grant the directors authority to allot approximately a further one third of the Company's issued ordinary share capital (excluding treasury shares) in connection with a rights issue in favour of ordinary shareholders with a nominal value of up to £58,410,300 (representing 528,600,000 ordinary shares of 11 $\frac{1}{20}$  pence each). Such additional authority will be valid until the conclusion of the 2020 AGM.

If the Company uses any of the additional one third authority permitted by the Guidelines, the Company will ensure that all directors stand for re-election. The Company's current practice is that all directors submit themselves for re-election each year in accordance with the Code, notwithstanding the provisions set out in the Guidelines.

The total authorisation sought by Resolution 18 is equal to approximately two thirds of the issued ordinary share capital of the Company (excluding treasury shares) as at 1 December 2018, being the last practicable date prior to publication of this Notice.

*Resolutions 1 to 18 will be proposed as ordinary resolutions and require that more than half of the votes cast must be in favour of a resolution for it to be passed.*

## **RESOLUTIONS 19 AND 20 – DISAPPLICATION OF PRE-EMPTION RIGHTS**

If the Company issues new shares, or sells treasury shares, for cash (other than in connection with an employee share scheme), it must first offer them to existing shareholders in proportion to their existing holdings. In accordance with investor guidelines, approval is sought by the directors to issue a limited number of ordinary shares for cash without offering them to existing shareholders.

The Pre-Emption Group (which represents the Investment Association and the Pension and Lifetime Savings Association) published a revised statement of principles for the disapplication of pre-emption rights (the Principles) in 2015. The Principles provide that a general authority for the disapplication of pre-emption rights over approximately 5% of the Company's issued ordinary share capital should be treated as routine. This general authority, which the directors have sought and received in previous years, is dealt with under Resolution 19.

Subject to the passing of Resolution 18, Resolution 19 seeks to replace the authority conferred on the directors at the 8 February 2018 Annual General Meeting (2018 AGM) to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company's issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to Article 13 of the Company's Articles of Association and section 561 of the CA 2006. Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution 19 would be limited to a maximum nominal amount of £8,751,600.

The Pre-Emption Group further provides that the Company may, as routine, seek to disapply pre-emption rights over the equivalent of approximately an additional 5% of the issued ordinary share capital of the Company, so long as certain criteria are met.

Subject to the passing of Resolution 18 and in addition to the authority granted by Resolution 19, Resolution 20 seeks to replace the authority conferred on the directors at the 2018 AGM to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company's issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to Article 13 of the Company's Articles of Association and section 561 of the CA 2006, provided that this authority will only be used for the purpose of:

- (i) an acquisition; or
- (ii) a specified capital investment in respect of which sufficient information regarding the effect of the investment on the Company, the assets that are the subject of the investment and (where appropriate) the profits attributable to those assets is made available to shareholders to enable them to reach an assessment of the potential return on the investment

which is announced contemporaneously with the issue or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution 20 would be limited to a maximum nominal amount of £8,751,600.

Together, Resolutions 19 and 20 represent 158,400,000 ordinary shares of 11½ pence each in the capital of the Company, which is approximately 10% of the Company's issued ordinary share capital (excluding treasury shares) as at 1 December 2018 (being the last practicable date prior to the publication of this Notice). The authority would, unless previously renewed, revoked or varied by shareholders, expire at the conclusion of the AGM of the Company to be held in 2020 or close of business on 6 May 2020, if earlier.

Save for issues of shares in respect of various employee share schemes and any share dividend alternatives, the directors have no current plans to utilise the authorities sought by Resolutions 18, 19 and 20, although they consider their renewal appropriate in order to retain maximum flexibility to take advantage of business opportunities as they arise. In addition, and in line with best practice, the Company has not issued more than 7.5% of its issued share capital on a non-pro rata basis over the last three years. The limit also applies to shares issued from treasury. A renewal of this authority will be proposed at each subsequent AGM and the directors confirm their intention to follow best practice set out in the Principles which provides that usage of this authority in excess of 7.5% of the Company's issued share capital in a rolling three year period would not take place without prior consultation with shareholders.

#### **RESOLUTION 21 – PURCHASE OF OWN SHARES**

This Resolution authorises the directors to make limited on market purchases of the Company's ordinary shares. The power is limited to a maximum of 158,400,000 shares (just under 10% of the issued ordinary share capital as at 1 December 2018, being the last practicable date prior to the publication of this Notice) and details the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company's next AGM or 18 months from the passing of this Resolution, whichever is the earlier.

The CA 2006 permits the Company to hold shares repurchased as treasury shares. Treasury shares may be cancelled, sold for cash or used for the purpose of satisfying the Company's obligations in connection with employee equity incentive schemes. The authority to be sought by this Resolution is intended to apply equally to shares to be held by the Company as treasury shares. No dividends will be paid on shares which are held as treasury shares and no voting rights will be attached to them. Shares held as treasury shares will normally be used to satisfy the Company's obligations under the Company's employee equity incentive schemes.

No share repurchases were made during the financial year ended 30 September 2018 or to the date of this Notice. However, the directors consider it desirable for such general authority to be available in order to maintain an efficient capital structure whilst at the same time retaining the flexibility to fund any infill acquisitions.

As at 1 December 2018 (being the last practicable date prior to the publication of this Notice) there were 1,589,736,625 11½ pence ordinary shares in issue and 3,837,253 11½ pence ordinary shares held in treasury for the purpose of satisfying the Company's obligations under employee equity incentive schemes. Shares held in treasury are not eligible to participate in dividends and do not carry any voting rights.

As at 1 December 2018 (being the last practicable date prior to the publication of this Notice), there were options to subscribe for ordinary shares issued by the Company outstanding over approximately 6,401,713 shares which represent 0.40% of the Company's issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company's ordinary shares was exercised in full, these options would represent 0.45% of the Company's issued ordinary share capital (excluding treasury shares).

#### **RESOLUTION 22 – NOTICE OF MEETINGS OTHER THAN ANNUAL GENERAL MEETINGS**

The Company's Articles of Association allow the directors to call general meetings, other than AGMs, on 14 clear working days' notice. However, under the Companies (Shareholders' Rights) Regulations 2009 (the Regulations), all general meetings must be held on 21 days' notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the Regulations. This Resolution seeks to renew the authority granted by shareholders at last year's AGM which preserved the Company's ability to call general meetings, other than AGMs, on 14 clear working days' notice, such authority to be effective until the Company's next AGM, when a similar resolution will be proposed. The directors confirm that the shorter notice period would not be used as a matter of routine, but only where flexibility is merited by the business of the meeting and it is thought to be to the advantage of shareholders as a whole. An electronic voting facility will be made available to all shareholders for any meeting held on such notice.

*Resolutions 19 to 22 will be proposed as special resolutions and require that at least three quarters of the votes cast must be in favour of a resolution for it to be passed.*

#### **RECOMMENDATION**

The directors consider that each of the Resolutions is in the best interests of the Company and the shareholders as a whole and, accordingly, recommend that all shareholders vote in favour of all Resolutions, as the directors intend to do in respect of their own holdings.

A resolution may properly be moved or a matter may properly be included in the business unless: (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise); (b) it is defamatory; or (c) it is frivolous or vexatious. Such a request may be in hard copy or electronic form and must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or

Under section 319A of the CA 2006, shareholders have the right to ask questions at the AGM relating to the business of the Meeting and for these to be answered, unless such answer would interfere unduly with the business of the Meeting, involve the disclosure of confidential information, if the answer has already been published on the Company's website, or if it is not in the interests of the Company or the good order of the Meeting that the question be answered.

#### **WEBSITE PUBLICATION OF AUDIT CONCERNS**

The Company may not require the members requesting any such website publication to pay its expenses in complying with such request. Where a statement is published, the Company will forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the CA 2006 to publish on its website.

### ATTENDING THE AGM

If you are coming to the AGM, please bring the Notification Letter dated 17 December 2018 with you. It authenticates your right to attend, speak and vote at the AGM and will speed your admission. You may also find it useful to bring this Notice of AGM and the Annual Report 2018 so that you can refer to them at the Meeting. All joint shareholders may attend and speak at the AGM. However, only one shareholder is entitled to vote. In the case of joint holders of a share, the vote of the senior who tenders the vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which the names of the holders stand in the register.

At the discretion of the Company, and subject to sufficient seating capacity, a shareholder may enter with one guest, provided that the shareholder and their guest register to enter the AGM at the same time.

### THE AGM

The doors of the Live Room at Twickenham RFU Stadium will open at 10.30am and the AGM will start promptly at 12 noon. Please see the map on page 201 for the location of Twickenham RFU Stadium. Car parking is available for shareholders as indicated on the map. For more information of how to get to the venue, go to <http://www.englishrugby.com/twickenham/visiting-the-stadium/getting-here>.

### QUESTIONS

All shareholders or their proxies will have the opportunity to ask questions at the AGM. When invited by the Chairman, if you wish to ask a question, please wait for a Company representative to bring you a microphone. It would be helpful if you could state your name before you ask your question. A question may not be answered at the Meeting if it is not considered to be in the interests of the Company or the good order of the Meeting or if it would involve the disclosure of sensitive information. The Chairman may also nominate a representative to answer a specific question after the Meeting or refer the questioner to the Company's website.

### VOTING AT THE AGM

The Company confirms that all Resolutions to be proposed at the AGM will be put to the vote on a poll. This will result in a more accurate reflection of the views of all of the Company's shareholders by ensuring that every vote is recognised, including the votes of shareholders who are unable to attend the Meeting but who have appointed a proxy for the Meeting. On a poll, each shareholder has one vote for each share held.

All of the votes of the shareholders present will be counted, and added to those received by proxy, and the provisional final votes will be displayed at the Meeting.

The indicative voting results, which will include all votes cast for and against each Resolution at the Meeting, and all proxies lodged prior to the Meeting, will be displayed at the Meeting and the final results published on the Company's website, the London Stock Exchange and on the document storage system, Morningstar, as soon as practicable after the Meeting. The Company will also disclose the number of votes withheld.

If you have already voted by proxy, you will still be able to vote at the Meeting and your vote on the day will replace your previously lodged proxy vote.

Whomever you appoint as a proxy can vote or abstain from voting as he or she decides on any other business which may validly come before the AGM. This includes proxies appointed using the CREST service. Details of how to complete the appointment of a proxy either electronically or on paper are given in the notes to this Notice.
