## COMPASS GROUP PLC

### PROPOSED RETURN OF £1 BILLION TO SHAREHOLDERS AND SHARE CAPITAL CONSOLIDATION

- Return of 56 pence per existing ordinary share in the capital of Compass Group PLC ("Existing Ordinary Share") (the "Return of Cash")
- Consolidation of every 17 Existing Ordinary Shares into 16 new ordinary shares ("New Ordinary Shares") (the "Share Capital Consolidation")

Further to the announcement made on 14 May 2014 (the "Announcement"), Compass Group PLC ("Compass" or the "Company") is today posting a circular regarding the proposed Return of Cash and Share Capital Consolidation to Compass shareholders ("Shareholders"), including notice of a general meeting to be held at 11.00 a.m. on 11 June 2014 (the "General Meeting").

The Company intends to return 56 pence per Existing Ordinary Share to Shareholders on the register as at 6.00 p.m. on 7 July 2014 (the "Record Time"), which amounts to approximately £1 billion in aggregate. The Return of Cash is being structured as a "B and C share" scheme to allow Shareholders, subject to applicable overseas restrictions, to elect to receive their cash proceeds as an income payment, a capital payment or any combination of these (the "Alternatives").

#### **Key highlights of the proposed Return of Cash**

- All Shareholders will be entitled to receive 56 pence per Existing Ordinary Share;
- Shareholders, subject to restrictions in respect of US Shareholders and certain other overseas Shareholders (as referred to below), can elect to receive their cash proceeds of 56 pence per Existing Ordinary Share as: (i) an income payment (the "Income Option"); (ii) a capital payment (the "Capital Option"); or (iii) any combination of these;
- Shareholders who do not make a valid election, and all Shareholders with a registered address in the United States, Canada, Australia, New Zealand, Japan or the Republic of South Africa or who are resident or located in one of those jurisdictions (together, "Restricted Shareholders"), will be deemed to have elected for the Income Option in respect of all of their entitlement to the Return of Cash;
- the Return of Cash is conditional upon Shareholder approval, which will be sought at the General Meeting;
- the latest time and date for receipt of Shareholders' elections will be 1.00 p.m. on 7 July 2014; and
- it is expected that payments will be made in respect of the Income Option and the Capital Option on 29 July 2014.

## **Share Capital Consolidation**

Alongside the Return of Cash, the Company proposes a consolidation of its ordinary share capital in order to maintain (subject to normal market fluctuations) the market price for Compass ordinary shares at approximately the same level as prevailed immediately prior to the implementation of the Return of Cash. Accordingly, Shareholders will receive 16 New Ordinary Shares in substitution for every 17 Existing Ordinary Shares held at the Record Time. The effect of this Share Capital Consolidation will be to reduce the number of Compass ordinary shares in issue to reflect the return of 56 pence per Existing Ordinary Share to Shareholders under the Return of Cash. However, Shareholders will own the same proportion of the Company as they did beforehand, subject to fractional entitlements. Any fractional entitlements to New Ordinary Shares resulting from the Share Capital Consolidation will be aggregated and sold in the market, with the net proceeds of sale being distributed pro rata to relevant Shareholders.

A shareholder circular (the "Circular") containing the full terms and conditions of the Return of Cash and the Share Capital Consolidation, a notice convening the General Meeting and instructions to Shareholders on making an election under the Alternatives as to how they wish to receive their proceeds of the Return of Cash, together with a form of election and a form of proxy, will be posted to Shareholders later today. A copy of the Circular will be submitted to the National Storage Mechanism and will shortly be available for inspection at: <http://www.hemscott.com/nsm.do>.

Copies of the Circular will be available for inspection at the Company's registered office, Compass House, Guildford Street, Chertsey KT16 9BQ, United Kingdom and at the offices of Freshfields Bruckhaus Deringer LLP, 65 Fleet Street, London EC4Y 1HS. A copy of the Circular will also be available on the Company's website at [www.compass-group.com](http://www.compass-group.com).

Terms used in this announcement but which are otherwise undefined have the same meanings as set out in the Circular.

This summary should be read in conjunction with the full text of the Announcement, including the cautionary statements therein, and the Circular.

**DETAILS OF THE PROPOSED RETURN OF CASH TO SHAREHOLDERS****Return of Cash**

The Return of Cash will involve the Company returning 56 pence per Existing Ordinary Share in the capital of the Company to Shareholders on the register as at 6.00 p.m. on 7 July 2014 (the "Record Time") (the "Return of Cash"), which amounts to approximately £1 billion in aggregate.

The Return of Cash has been structured with the objective of enabling Shareholders, subject to restrictions in respect of US Shareholders and other Shareholders with a registered address in, or who are resident or located in, a Restricted Territory (being any of the United States, Canada, Australia, New Zealand, Japan or the Republic of South Africa) (together, "Restricted Shareholders"), to elect to receive their cash proceeds of 56 pence per Existing Ordinary Share as:

- an income payment (the "Income Option");
- a capital payment (the "Capital Option"); or
- any combination of these (the "Alternatives").

This structure has been chosen to complete the Return of Cash because:

- it treats all Shareholders equally regardless of the size of their existing shareholdings in the Company; and
- it gives all Shareholders, subject to restrictions in respect of US Shareholders and other Restricted Shareholders, a choice as to how they receive their cash.

The Company's dividend reinvestment plan will be suspended in relation to the Return of Cash.

It is important to note that Shareholders who do not make a valid election, and all US Shareholders and other Restricted Shareholders, will be deemed to have elected for the Income Option in respect of ALL of their entitlement to the Return of Cash.

The Return of Cash is conditional upon shareholder approval, which will be sought at a general meeting of the Company to be held at 11.00 a.m. on 11 June 2014 (the "General Meeting").

A shareholder circular (the "Circular") containing the full terms and conditions of the Return of Cash and the Share Capital Consolidation, a notice convening the General Meeting and instructions to Shareholders on making an election as to how they wish to receive their proceeds of the Return of Cash, together with a form of election and a form of proxy, will be posted to Shareholders today. The Circular will also be available on the Company's website at [www.compass-group.com](http://www.compass-group.com). A copy of the Circular will be submitted to the National Storage Mechanism and will shortly be available for inspection at: <http://www.hemscott.com/nsm.do>.

## **Share Capital Consolidation**

As mentioned above, the Return of Cash is intended to result in the payment to Shareholders of approximately £1 billion in cash by the Company. It is anticipated that, as a result of the decrease in market value of the Company due to the Return of Cash, there would, without a consolidation of the Company's ordinary share capital, be a corresponding decrease in the market price of the ordinary shares in the Company.

Accordingly, in order to maintain (subject to normal market fluctuations) the market price for ordinary shares at approximately the same level as prevailed immediately prior to the implementation of the Return of Cash, a consolidation of the Company's ordinary share capital is also proposed. As a result of the Share Capital Consolidation, Shareholders will hold 16 New Ordinary Shares (the "New Ordinary Shares") in substitution for every 17 Existing Ordinary Shares held at the Record Time (the "Share Capital Consolidation").

## **THE RETURN OF CASH ALTERNATIVES**

Each Shareholder (with the exception of US Shareholders and other Restricted Shareholders) will be able to choose between the Alternatives described below as to how they receive their cash proceeds under the Return of Cash. This is intended to give Shareholders the flexibility to receive their cash proceeds as income, capital or any combination of these.

Each Alternative is expected to return 56 pence of cash per Existing Ordinary Share.

For legal and accounting reasons each of the Alternatives involves the Company issuing Shareholders with new shares depending on their election (so called "B Shares" and "C Shares"). These new shares will exist for the specific purpose of the Return of Cash, after which they will have no value for Shareholders and will, in effect, be extinguished.

Shareholders who do not make a valid election, and all US Shareholders and other Restricted Shareholders, will be deemed to have elected for the Income Option in respect of ALL of their entitlement to the Return of Cash.

The following is a summary of the Alternatives. Shareholders should read the Circular in full to ensure that they understand the Alternatives, their entitlement in respect of the Return of Cash and the action they need to take.

### Alternative 1 - Income Option (C Share)

For shares validly elected (or deemed elected) for the Income Option, a Shareholder will receive a dividend of 56 pence for each Existing Ordinary Share held at the Record Time.

It is expected that the dividend of 56 pence per Existing Ordinary Share will become payable by 15 July 2014 and the proceeds will be sent to relevant Shareholders on 29 July 2014.

### Alternative 2 - Capital Option (B Share)

For shares validly elected for the Capital Option, a Shareholder will receive a capital payment of 56 pence for each Existing Ordinary Share held at the Record Time.

It is expected that the capital payment of 56 pence per Existing Ordinary Share will become payable by 15 July 2014 and the proceeds will be sent to relevant Shareholders on 29 July 2014.

The Capital Option is limited for technical legal and accounting reasons. In the unlikely event that the limit is exceeded, all elections under the Capital Option will be scaled back on a pro rata basis, and the Company will issue C Shares proportionately amongst such elections. Any C Shares issued to satisfy valid elections for the Capital Option will not have the C Share Dividend paid on them (as they would under the Income Option). Instead it is expected that Barclays Bank PLC (“Barclays”), acting as principal (and not as fiduciary, agent, nominee or trustee) will purchase such C Shares under the Purchase Offer by 15 July 2014 for 56 pence per C Share, free of all dealing expenses and commissions, and the proceeds will be sent to relevant Shareholders on 29 July 2014.

The two Alternatives summarised above are explained in further detail in Part IV of the Circular. Shareholders should read the Circular in full.
