DEAR SHAREHOLDER

The 2023 Annual General Meeting (the Meeting or the AGM) of Compass Group PLC (the Company or Compass) will be held at 12 noon on Thursday, 9 February 2023 in the Live Room at Rugby Football Union, Rugby House, Twickenham Stadium, 200 Whitton Road, Twickenham, Middlesex TW2 7BA.

2023 AGM ARRANGEMENTS

The Board is looking forward to welcoming shareholders to the AGM, which you will be able to attend in person in the Live Room at Rugby House, Twickenham Stadium. To help ensure your safety and manage the numbers attending the AGM, we are asking that only shareholders or their duly nominated proxies attend the Meeting in person. Persons who are not shareholders or their duly nominated proxies should not attend the Meeting unless arrangements have been made in advance with the Group Company Secretariat, whose contact details can be found on page 14.

At our last two AGMs, in light of social distancing measures, we made a facility available to shareholders to participate online. However, take up of this facility was very low in both years, with the number of shareholders participating online in 2022 declining to low single digits. We have therefore decided not to offer a remote method of participating in or following the 2023 AGM. Shareholders will still be able to submit questions in advance of the Meeting using the following email address: investor.relations@compass-group.com and, as is our usual practice, we will publish the questions and our responses on our website following the Meeting. Any pre-submitted questions should be submitted by 10.00 am on Tuesday, 7 February 2023.

Important note

While we are hopeful that the AGM will go ahead as planned, the Company may be required to change the arrangements for the Meeting at short notice should government restrictions on public gatherings or other social distancing measures be reintroduced. If this is the case, we will publish the relevant information on the Company’s website, www.compass-group.com and make an announcement to the London Stock Exchange via the regulatory information service.

Please check the Company’s website in advance of the Meeting in case there are any changes made to the arrangements for the AGM.

How to vote

Your vote is important to us. At the Meeting, all proposed resolutions will be put to a vote on a poll. This is the most democratic way of voting and results in a more accurate reflection of shareholders’ views by ensuring that every vote cast is recognised.

If you are unable to attend the AGM in person, we strongly encourage you to vote in advance by appointing the Chair of the Meeting or another duly nominated person as your proxy. You may appoint another person as your duly appointed proxy; however, please bear in mind if restrictions on public gatherings are reintroduced, your proxy may not be permitted to attend the Meeting and therefore would not be able to vote on your shares. Our registrar, Link Group, must receive your online or postal proxy appointment and voting instructions by 12 noon on Tuesday, 7 February 2023 at the latest to ensure that your vote is counted. Details of how to submit a proxy are set out on page 12 of this document.

BUSINESS OF THE MEETING

The general business of the Meeting is to pass various resolutions (full details of which are contained in the explanatory notes on pages 5 to 11 of this document (the Resolutions)) covering the approval of the Company’s annual reports, the declaration of a final dividend, the re-election of the directors and auditors, the right to make political donations, the directors’ powers over shares in the Company and the directors’ ability to call meetings at short notice.

The majority of the Resolutions are those that are dealt with as a matter of course at each annual general meeting of the Company. Biographies of the directors standing for re-election can be found on pages 8 to 11.

BOARD RECOMMENDATIONS

The directors believe that each of the proposed Resolutions to be considered at the AGM is in the best interests of the Company and its shareholders as a whole and recommend that all shareholders vote in favour of all Resolutions, as they intend to do in respect of their own holdings. The results of the voting on all Resolutions will be announced via the London Stock Exchange regulatory information service and published on our website as soon as practicable following the conclusion of the AGM.

I look forward to welcoming you in person at the forthcoming AGM.

Yours faithfully

Ian Meakins
Chair of the Board

20. EXPLANATORY NOTES TO THE RESOLUTIONS

RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS

The directors are required to present to the AGM the audited Accounts and the Directors’ and Auditor’s Reports for the financial year ended 30 September 2022.

RESOLUTION 2 – DIRECTORS’ REMUNERATION REPORT

In accordance with section 439 of the Companies Act 2006 (CA 2006), shareholders are requested to approve the Directors’ Remuneration Report. The Directors’ Remuneration Report is set out on pages 86 to 113 of the 2022 Annual Report and Accounts. The vote is advisory.

RESOLUTION 3 – FINAL DIVIDEND

The final dividend of 22.1 pence per share for the year ended 30 September 2022 will be paid on 2 March 2023 to shareholders on the register at the close of business on 20 January 2023, subject to shareholder approval. The dividend will be paid gross and a Dividend Reinvestment Plan (DRIP) will be available. The last date for receipt of elections for the DRIP will be 9 February 2023.

RESOLUTIONS 4 TO 15 – RE-ELECTION OF DIRECTORS

In accordance with the UK Corporate Governance Code 2018 (the Code), all the directors will submit themselves for annual re-election by shareholders. Biographical details of all the directors standing for re-election appear on pages 8 to 11 of this Notice. Having conducted an evaluation during the year, it is considered that the performance of each of the directors continues to be effective and each director demonstrates commitment to the role and has sufficient time to meet their commitment to the Company. In line with the recommendations of the Code, the Board has outlined in the biographies the reasons why each Board member provides a valuable contribution to the success of the Board as a whole, and why each Board member should be re-elected as a director of the Company.

As announced on 21 November 2022, at the conclusion of the 2023 AGM, Carol Arrowsmith will step down as Chair of the Remuneration Committee and will be succeeded by John Bryant, Senior Independent Director. To ensure that there is continuity and an orderly transition, Carol will remain a member of the Committee. John has been a member of the Remuneration Committee since his appointment in 2018. He has significant experience in business and finance and is considered by the Board to have the appropriate experience, skills and attributes to be an effective Chair of the Remuneration Committee.

RESOLUTIONS 16 AND 17 – EXTERNAL AUDITOR’S REAPPOINTMENT AND REMUNERATION

The auditor is appointed at every general meeting at which accounts are presented to shareholders. The current appointment of KPMG LLP as the Company’s auditor will end at the conclusion of the AGM and it has advised of its willingness to stand for reappointment, which the Audit Committee has recommended. In accordance with the provisions of the Code, it is recommended best practice for the Audit Committee to be authorised to agree how much the auditor should be paid and Resolution 17 grants this authority to the Audit Committee.

RESOLUTION 18 – POLITICAL DONATIONS

It is not Group policy to make donations to political parties. However, it is possible that certain routine activities undertaken by the Company and its subsidiaries might unintentionally fall within the wide definition of matters constituting political donations and expenditure in the CA 2006. Any expenditure that is regulated under the CA 2006 must first be approved by shareholders and will be disclosed in next year’s Annual Report. This Resolution, if passed, will renew the directors’ authority until the AGM to be held in 2024 (when the directors intend to renew this authority) to make donations and incur expenditure which might otherwise be caught by the terms of the CA 2006, up to an aggregate amount of £100,000 for the Company and for subsidiary companies.

RESOLUTION 19 – DIRECTORS’ AUTHORITY TO ALLOT SHARES

The purpose of Resolution 19 is to renew the directors’ power to allot shares. Resolution 19.1 seeks to grant the directors authority to allot, pursuant to article 12 of the Company’s articles of association and section 551 of the Companies Act 2006, relevant securities with a maximum nominal amount of £64,719,850. This represents 585,700,000 ordinary shares of 11 1/2 pence each in the capital of the Company, which is approximately one-third of the Company’s issued ordinary share capital (excluding treasury shares) as at 30 November 2022 (being the last practicable date prior to the publication of this Notice). The Company currently holds 28,189,248 shares in treasury. The authority would, unless previously renewed, revoked or varied by shareholders, remain in force up to the conclusion of the 2024 AGM of the Company or close of business on 8 May 2024, whichever is earlier.

In accordance with the Investment Association Share Capital Management Guidelines (the Guidelines), Resolution 19.2 seeks to grant the directors authority to allot approximately a further one-third of the Company’s issued ordinary share capital (excluding treasury shares) in connection with a rights issue in favour of ordinary shareholders with a nominal value of up to £64,719,850 (representing 585,700,000 ordinary shares of 11 1/2 pence each). Such additional authority will be valid until the conclusion of the 2024 AGM.

If the Company uses any of the additional one-third authority permitted by the Guidelines, the Company will ensure that all directors stand for re-election. The Company’s current practice is that all directors submit themselves for re-election each year in accordance with the Code, notwithstanding the provisions set out in the Guidelines.

The total authorisation sought by Resolution 19 is equal to approximately two-thirds of the issued ordinary share capital of the Company (excluding treasury shares) as at 30 November 2022, being the last practicable date prior to publication of this Notice. Resolutions 1 to 19 will be proposed as ordinary resolutions and require that more than half of the votes cast must be in favour of a Resolution for it to be passed.
RESOLUTIONS 20 AND 21 – DISAPPLICAION OF PRE-EMPTION RIGHTS

If the Company issues new shares, or sells treasury shares, for cash (other than in connection with an employee share scheme), it must first offer them to existing shareholders in proportion to their existing holdings. In accordance with investor guidelines, approval is sought by the directors to issue a limited number of ordinary shares for cash without offering them to existing shareholders.

The Pre-Emption Group (which represents the Investment Association and the Pension and Lifetime Savings Association) published a revised statement of principles for the disapplication of pre-emption rights (the Principles) in November 2022. These Resolutions seek authority from shareholders under the previous Principles published in 2015 (the 2015 Principles). The 2015 Principles provided that a general authority for the disapplication of pre-emption rights over approximately 5% of the Company’s issued ordinary share capital should be treated as routine. This general authority, which the directors have sought and received in previous years, is dealt with under Resolution 20.

Subject to the passing of Resolution 19, Resolution 20 seeks to replace the authority conferred on the directors at the 2022 Annual General Meeting (2022 AGM) to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company’s issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to article 13 of the Company’s articles of association and section 561 of the CA 2006.

The Pre-Emption Group’s 2015 Principles further provided that the Company may, as routine, seek to disapply pre-emption rights over the equivalent of approximately an additional 5% of the issued ordinary share capital of the Company, so long as certain criteria are met. Subject to the passing of Resolution 19 and in addition to the authority granted by Resolution 20, Resolution 21 seeks to replace the authority conferred on the directors at the 2022 AGM to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares or sell treasury shares for cash (other than pursuant to an employee equity incentive share scheme) up to an aggregate nominal value of approximately 5% of the Company’s issued ordinary share capital (excluding treasury shares) without application of pre-emption rights pursuant to article 13 of the Company’s articles of association and section 561 of the CA 2006, provided that this authority will only be used for the purpose of:

i. an acquisition; or
ii. a specified capital investment in respect of which sufficient information regarding the effect of the investment on the Company, the assets that are the subject of the investment and (where appropriate) the profits attributable to those assets is made available to shareholders to enable them to reach an assessment of the potential return on the investment which is announced contemporaneously with the issue or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

Other than in connection with a rights, scrip dividend, or other similar issue, the authority contained in this Resolution 21 would be limited to a maximum nominal amount of £9,708,530. Together, Resolutions 20 and 21 represent 175,720,000 ordinary shares of 11 ⅞ pence each in the capital of the Company, which is approximately 10% of the Company’s issued ordinary share capital (excluding treasury shares) as at 30 November 2022, being the last practicable date prior to the publication of this Notice. The authority would, unless previously renewed, revoked or varied by shareholders, expire at the conclusion of the AGM of the Company to be held in 2024 or close of business on 8 May 2024, if earlier.

Save for issues of shares in respect of various employee share schemes and any share dividend alternatives, the directors have no current plans to utilise the authorities sought by Resolutions 19, 20 and 21, although they consider their renewal appropriate in order to retain maximum flexibility to take advantage of business opportunities as they arise.

The Pre-Emption Group’s 2015 Principles specified that, subject to certain exceptions, in any rolling three-year period, a company should not issue non-pre-emptively for cash equity securities that represent more than 7.5% of its issued ordinary share capital. The limit also applies to shares issued from treasury.

In line with the Pre-Emption Group’s April 2020 recommendations for investors to support share issuances by companies of up to 20% of their issued share capital, in May 2020 the Company raised approximately £2 billion through the issue of 195,667,352 new ordinary shares representing approximately 12.3% of the existing issued ordinary share capital of the Company prior to the capital raise.

The Company has not otherwise issued any shares for cash on a non-pre-emptive basis in the three years preceding the financial year ended 30 September 2022.

The directors confirm their intention to follow practice set out in the 2015 Principles.
RESOLUTION 22 – PURCHASE OF OWN SHARES

This Resolution authorises the directors to make limited on-market purchases of the Company’s ordinary shares. The power is limited to a maximum of 175,720,000 shares (just under 10% of the issued ordinary share capital as at 30 November 2022, being the last practicable date prior to the publication of this Notice) and details the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this Resolution will expire at the conclusion of the Company’s next AGM or 18 months from the passing of this Resolution, whichever is the earlier.

Any purchases of ordinary shares will be by means of market purchases through any appropriate regulated stock market, providing the Company with greater flexibility to purchase the shares on global markets (not just the London Stock Exchange).

The CA 2006 permits the Company to hold shares repurchased as treasury shares. Treasury shares may be cancelled, sold for cash or used for the purpose of satisfying the Company’s obligations in connection with employee equity incentive schemes. The authority to be sought by this Resolution is intended to apply equally to shares to be held by the Company as treasury shares. No dividends will be paid on shares which are held as treasury shares and no voting rights will be attached to them. Shares held as treasury shares will normally be used to satisfy the Company’s obligations under the Company’s employee equity incentive schemes.

On 11 May 2022, the Company announced that it would commence a share buyback programme of the Company’s ordinary shares of 11 1/20 pence for an aggregate purchase price of up to £500 million during the calendar year. The share buyback commenced on 26 May 2022. On 16 September 2022, the Company announced an extension to the buyback which completed on 11 November 2022, when the Company had repurchased 27,599,115 shares at an aggregate purchase price of £500 million (excluding transaction costs).

The Company announced on 21 November 2022 that it intends to undertake a further share buyback of up to £250 million, to take place during the first half of the 2023 financial year. It is the Company’s current intention that any shares repurchased under this authority will be held in treasury. Any purchases to be made after the expiry of the authority granted by shareholders at the 2022 AGM will be made subject to shareholder approval of Resolution 22 except in relation to the purchase of ordinary shares, the contract for which was concluded prior to the expiry of the authority which was granted to the directors at the 2022 AGM.

As at 30 November 2022 (being the last practicable date prior to the publication of this Notice), there were 1,785,403,977 11 1/20 pence ordinary shares in issue and 28,189,248 11 1/20 pence ordinary shares held in treasury for the purpose of satisfying the Company’s obligations under employee equity incentive schemes. These treasury shares represent 1.6% of the Company’s issued ordinary share capital. Shares held in treasury are not eligible to participate in dividends and do not carry any voting rights.

As at 30 November 2022 (being the last practicable date prior to the publication of this Notice), there were options to subscribe for ordinary shares issued by the Company outstanding over approximately 6,940,754 shares, which represent 0.39% of the Company’s issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company’s ordinary shares was exercised in full, these options would represent 0.43% of the Company’s issued ordinary share capital (excluding treasury shares).

RESOLUTION 23 – NOTICE OF MEETINGS OTHER THAN ANNUAL GENERAL MEETINGS

The Company’s articles of association allow the directors to call general meetings, other than annual general meetings, on at least 14 clear days’ notice. However, under section 307A of the CA 2006, all general meetings must be held on 21 days’ notice, unless shareholders agree to a shorter notice period, and the Company has met the requirements for electronic voting under the CA 2006. This Resolution seeks to renew the authority granted by shareholders at last year’s AGM which preserved the Company’s ability to call general meetings, other than annual general meetings, on at least 14 clear days’ notice, such authority to be effective until the Company’s next AGM, when a similar resolution will be proposed. The directors confirm that the shorter notice period would not be used as a matter of routine, but only where flexibility is merited by the business of the meeting and it is thought to be to the advantage of shareholders as a whole. An electronic voting facility will be made available to all shareholders for any meeting held on such notice.

Resolutions 20-23 will be proposed as special resolutions and require that at least three quarters of the votes cast must be in favour of a Resolution for it to be passed.

RECOMMENDATION

The directors consider that each of the Resolutions is in the best interests of the Company and its shareholders as a whole and, accordingly, recommend that all shareholders vote in favour of all Resolutions, as they intend to do in respect of their own shareholdings.

Proxies may only be appointed by:
• going to www.signalshares.com and following the instructions for electronic submission provided
• completing and returning the Form of Proxy as soon as possible and, in any event, so as to arrive no later than 12 noon on Tuesday, 7 February 2023, being 48 hours before the time the AGM begins. A paper Form of Proxy can be requested from the registrar, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL; email: shareholderenquiries@linkgroup.co.uk; telephone within the UK: Freephone 0800 029 4520 and from overseas: +44 333 300 1568

• electronically via Proxymity at www.proxymity.io

Submission of the Form of Proxy will not prevent a shareholder from attending the Meeting and voting in person. However, if you do attend the Meeting in person and vote any proxy appointment will be treated as void.

The electronic addresses referenced above are provided solely for the purpose of enabling shareholders to register the appointment of a proxy or proxies for the Meeting or to submit their voting directions electronically. You may not use any electronic address provided in this Notice of Meeting to communicate with the Company for any purposes other than those expressly stated.

To appoint a proxy or to give an instruction to a previously appointed proxy via the CREST system, the CREST message must be received by the issuer’s agent (ID RA10) by 12 noon on Tuesday, 7 February 2023.

Please note, however, that proxy messages cannot be sent through CREST on weekends, public holidays or after 8.00 pm on any other day. For the purpose of this deadline, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message. CREST personal members or other CREST sponsored members and those CREST members that have appointed voting service provider(s) should contact their CREST sponsor or voting service provider(s) for assistance with appointing proxies via CREST.

For further information on CREST procedures, limitations and system timings, please refer to the CREST manual. We may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended.

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the registrar. Your proxy must be lodged by 12 noon on Tuesday, 7 February 2023 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

(iii) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 and section 360B(2) of the CA 2006, the Company specifies that only those shareholders registered in the Register of Members of the Company as at close of business on Tuesday, 7 February 2023 or, in the event that the Meeting is adjourned, in the Register of Members at the close of business two days before the time of any adjourned meeting, shall be entitled to participate in the Meeting in accordance with this Notice in respect of the number of shares registered in their name at the relevant time. QUESTIONS
There will be opportunities to ask questions in person. However, the Board strongly encourages shareholders to submit questions in advance of the Meeting to ensure the directors can address as many questions as possible. Pre-submitted questions can be emailed to investor.relations@compass-group.com or posted to the Group Company Secretariat, AGM Questions, Compass House, Guildford Street, Chertsey, Surrey KT16 9BQ, and should be submitted by 10.00 am on Tuesday, 7 February 2023. If multiple questions on the same topic are received in advance of the Meeting, the Chair of the Board may choose to provide a single answer to address shareholder queries on the same topic.

A question may not be answered at the Meeting if it is not considered to be in the interests of the Company or the good order of the Meeting, or if it would involve the disclosure of confidential information. The Chair may also nominate a representative to answer a specific question after the Meeting or refer the questioner to the Company’s website.

VOTING
The Company confirms that all Resolutions to be proposed at the AGM will be put to the vote on a poll. This will result in a more accurate reflection of the views of all of the Company’s shareholders by ensuring that every vote cast is recognised, including the votes of shareholders who are unable to attend the Meeting, but who have appointed a proxy for the Meeting. On a poll, each shareholder has one vote for each share held.

All of the votes of the shareholders present will be counted, and added to those received by proxy, and the provisional final votes will be displayed at the Meeting.

The final results will be published on the Company’s website, the London Stock Exchange and on the document storage system as soon as practicable after the Meeting. The Company will also disclose the number of votes withheld.

If you have already voted by proxy, you will still be able to vote at the Meeting and your vote on the day will replace your previously lodged proxy vote.
